Dear Friends,
Colleges are open. For freshers amongst you, it is the dawn of a new life. Goodbye to the dreary uniform and cumbersome homework. Welcome to the canteen gossips, U-Special rides and the freedom to shout 'Yahoo!' in the college compound. But, to ride on the tides of campus life successfully, you have to have a lot of attitude, tones of confidence, uninterrupted supply of charisma, charm and wit, and on the top of it, twinkling eyes and a million-dollar smile on your lips. But hey! Being a Comic Word reader, you have all that already.

Well, write to us about your first day at the college and/or about some special moments at your campus life, which you want to share with others.

So long.
Yours.

A Crown of A Cake

On the occasion of Queen Elizabeth's South Korea visit, the head-chef of a South-Korean hotel created these mouth-watering cakes, resembling in shape to the royal crown. Queen was impressed by this gesture or not is not known, but the sale of the hotel got a definite boost by the media-publicity which followed this 'delicious creation.'

A 'Piggy Protest

Enraged by the country's new agricultural policy, farmers of France staged a unique protest. They let loose hundreds of pigs near the Eiffel tower, causing discomfort to tourists and embarrassment to the French government. Farmer's also warned that if their demands were not met thousands of pigs will roam on the streets of paris, the capital of France.

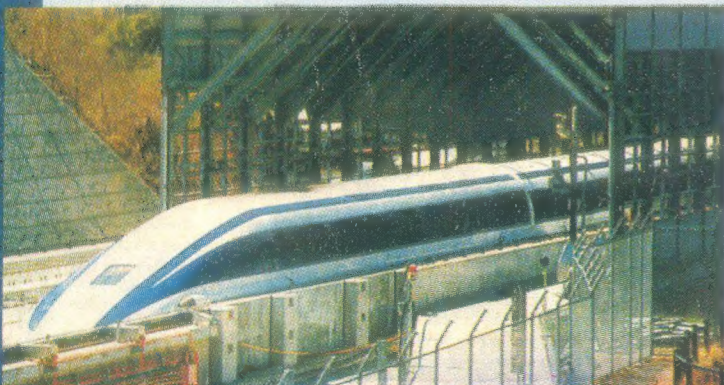

Mixed signals

London ,England: A 25 foot tall traffic sculpture in the middle of a busy intersection has motorists seeing red. The Traffic Light Tree has 75 sets of lights, alternately blinking green ,yellow and red. "it's an accident waiting to happen," says one confused motorist.

What A *SPEED* !

Japan has once again proved its supremacy as far as the technology is concerned. After making Bullet-train It has now created a new train, which is undoubtedly the fastest train in the world. Having the top-speed of 552 km. per hour, this train also displays very comfortable, airy and roomy compartments.

Golden retriever adopts & cares for pet rabbit

Cleveland, Ohio- A therapy dog who comforts sick children in the hospital has adopted a bunny rabbit as a pet.

Shayna, an 8-year-old golden retriever, even picked out Pudding from a group of animals up for adoption at a Cleveland Health Museum event.

As the flop-eared rabbit sat on its pen, Shayna lay down nose to nose with it and didn't want to leave. Then she dragged her owner, Julie Brown Rubenstein, back for a second visit.

Finally, Julie relented and Puding now shares space with her husband Bryan, their 4-year-old triplets Jonah, Hannah and Emma, two cats, Labrador retriever Honeybear and, of course, Shayna.

"Shayna licks and cleans Pudding and they cuddle up together to sleep", says Julie.

The pooch's gentle nature earned her a spot as one of the pioneers in Per Pals, a therapy program for kids at Rainbow Babies & Children's Hospital in which animals pay regular visits to patients.

And occasionally, Shayna even does waiting room duty at the outpatient facility. Julie recalls one incident in which a doctor came out of surgery and talked to a couple.

"When he left, the mom broke down", says Julie. "I took Shayna over to them.

"The man worked his hands through Shayna's coat, just releasing tension. The eyes and body said it all."

A Godsend gift

A good news for couch-potatoes. Now they don't have to even touch the remote while surfing the T. V. Channels. All they have to do is to whisper an order, and the job will be done. An electronic company of Japan has invented this voice-activated remote, which is available in market, for just 6,890 Yen.

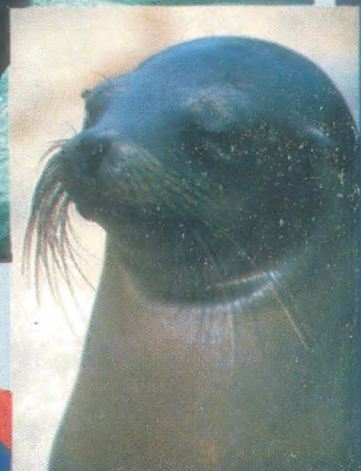

SEALS RESCUE

DROWNING WOMAN

YARMOUTH, England- A drowning woman was saved from being swept out into the icy North Sea by a group of seals that kept her afloat until a rescue boat arrived.

For two and a half hours, at least six of the sea creatures formed a protective wall around Carlene Camburn, preventing the tide from pulling her farther out into the black, frigid water until a life boat found her.

Are you frightened by the magnitude of the tasks that lie ahead?

After you have decided on a set purpose, the first step in the direction of achieving it is important. After the first step is taken, then the second, third and fourth steps must be taken. Then it becomes a habit. Whether it was Peary or Amundsen, Columbus or David Livingstone., these explorers reached their destination because they concentrated on the day's journey. One of the explorers of Mississippi, when asked for the secret of his success commented that he used to think only of the distance to be covered in the next 24 hours.

Are you awed by the information explosion?

Today, there is an explosion of information. The Library of

Congress, the national library of the United States of America, has about 25 million books and 30 million manuscripts. This information need not put you off. To succeed in a chosen field, you should read and master about 250 good books on that subject. In

other words; even if you read one book out of one lakh books, it would help you become a master in your chosen field.

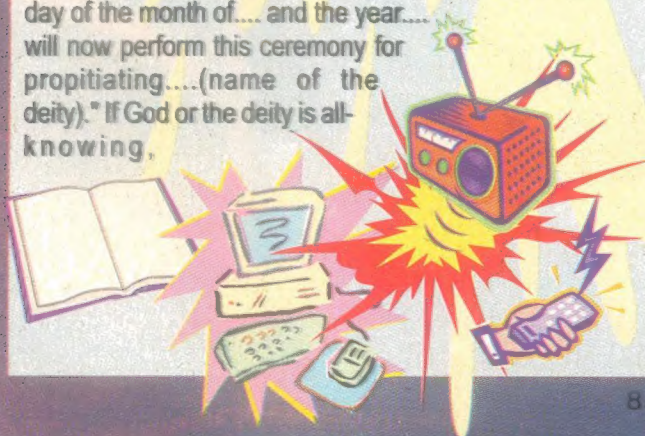

Just as a magnet picks up only objects made of iron, so also if your mind is charged with a set purpose, it picks up only those bits of information which are useful in your efforts to achieve the set purpose of your life. Soon you will have a very wide

information base in your chosen field. That information base will be your wealth, for the sake of which companies will hire your services. Or with that as your capital, you can launch your own industry or trading activity.

How to get charged with a set purpose

In a Hindu family, when a religious ceremony is performed, the first step is the *Sankalpa*, the resolve. The person performing the ceremony declares, "I, so and so, on this day of the month of.... and the year.... will now perform this ceremony for propitiating....(name of the deity)." If God or the deity is all-knowing,

Uncle Pai's way to Success

Anant Pai

why should this announcement be made? It is not for God's information that a *sankalpa* is made, but for strengthening the resolve of the performer of the ceremony. It warns the performer, "Remember, you will soon be doing this *pooja*. When you are at it, try not to think of other matters. Let your mind be concentrated on this *pooja* and not on the office, school, playground or market place." The *sankalpa* is a resolve made for the purpose of concentrating the mind. Sir J.C. Bose, the famous scientist was a Professor of Physics at Calcutta University and until the age of 35, he had not shown signs of potential genius. On his 35th birthday, he made a firm resolve that henceforth he would devote his life to acquiring scientific knowledge and unraveling the mysteries of nature. From this point onwards, his life took a turn and very soon Bose was known all over the world. We have no means of knowing today how J.C. Bose kept his mind fired with his resolve day after day. But he must have found a way to remind him of his resolve for weeks and months. once it sinks deep into the unconscious (or subconscious) mind, "no further reminding becomes necessary.

In the *Mahabharata*, Draupadi unties her hair and vows never to tie it up again till the insult meted to her by Duhshasana, who dragged her by the hair into the assembly, is avenged. Similarly, when Chanakya is insulted by Dhanananda, he unties his *shikha* (the tuft of hair on the top of the head) and vows to tie it only after Dhanananda is dethroned. An untied *shikha* or untied hair was a constant reminder and served to strengthen the resolve. You can write your set purpose on a thick card and keep it in the drawer of your table where you cannot fail to see it. This is a far better way of strengthening one's resolve. Have it programmed in the computer of your mind and once you have installed the programme successfully, you will be on your way to success.

This seems very simple. But it is not. To be able to install a programme in the computer of your mind, you must have highly developed will-power. In the ancient days, those who were bent on achieving their set purpose, went to deep wood and practiced *tapas*, austerities. Nothing could be denied to person who did *tapas* for twelve years, our forefathers believed. We will discuss in the next chapter how *tapas* can be performed right at your own home and how supreme will-power can be developed.

THE JOY OF WATER

From
the
desk of
Ruskin Bond

Each drop represents a little bit of creation -- and life itself. When the monsoon brings to northern India the first rains of summer, the parched earth opens its pores and quenches its thirst with a hiss of ecstasy. After baking in the sun for the last few months, the land looks cracked, dusty and tired. Now, almost overnight, new grass springs up, there is renewal everywhere, and the damp earth releases a fragrance sweeter than any devised by man.

Water brings joy to earth, grass, leaf-bud, blossom, insect, bird, animal and the pounding heart of man. Small children run out of their homes to romp naked in the rain. Buffaloes, which have spent the summer listlessly around lakes gone dry, now plunge into a heaven of muddy water. Soon the lakes and rivers will overflow with the monsoon's generosity.

Trekking in the Himalayan foothills, I recently walked for kilometres without encountering habitation. I was just scolding myself for not having brought along a water-bottle, when I came across a patch of green on a rock face. I parted a curtain of tender maidenhair fern and discovered a tiny spring issuing from the rock -- nectar for the thirsty traveller. I stayed there for hours, watching the water descend, drop by drop, into a tiny casement in the rocks. Each drop reflected creation. That same spring, I later discovered, joined other springs to form a swift, tumbling stream, which went cascading down the hill into other streams until, in the plains, it became part of a river. And that river flowed into another mightier river that kilometres later emptied into the ocean. Be like water, taught Lao-tzu, philosopher and founder of Taoism. Soft and limpid, it finds its way through,

over or under any obstacle. It does not quarrel; it simply moves on.

A small pool in the rocks outside my cottage in the Mussoorie hills, provides me endless delight. Water beetles paddle the surface, while tiny fish lurk in the shallows. Sometimes a spotted fork-tail comes to drink, hopping delicately from rock to rock. And once I saw a barking deer, head lowered at the edge of the pool. I stood very still, anxious that it should drink its fill. It did, and then, looking up, saw me and leapt across the ravine to disappear into the forest.

In summer the pool is almost dry. Even this morning, there was just enough water for the fish and tadpoles to survive. But as I write, there is a pattering on the tin roof of the cottage, and I look out to see the raindrops pitting the surface of the pool.

Tomorrow the spotted fork-tail will be back. Perhaps the barking deer will return. I open the window wide and allow the fragrance of the rain and freshened earth to waft into my room.

THE HUMAN BODY

The entire human body is a complex machine. Like all other machines, this too requires proper care and attention. You must have been told very often that a healthy body houses a healthy mind. To have a healthy body you must eat the right kind of food and make sure that you get lots of exercise. Good health is a valuable asset in the fast-paced world that we live in today. We must all know a few basic things about the human body so that we can keep ourselves fit and healthy.

HERE ARE SOME FACTS THAT WE SHOULD ALL BE FAMILIAR WITH

● The entire human body is covered with hair, of which about 100,000 are on the head. Once a hair is pushed out of the follicle (the 'sac' or the bag from which the hair grows, it is already dead. Hair grows longer because the new hair, which is growing, pushes it out. That is why when you have a haircut you feel no pain, but if someone pulls your hair, you cry out.

● Blinking serves to keep the eyes clean and to lubricate them. We blink less when we are more alert, and more when we are nervous.

● In an average human body, there is 95,000km (60,000 miles) of blood vessels. The average human body contains about 3.5 to 5 litres of blood, 55% of which is plasma. Plasma carries proteins, vitamins, glucose and salts to provide nourishment to our bodies. Most of the remaining 45% is made up of red blood cells that carry oxygen to all parts of the body and carry back carbon dioxide to the lungs to be expelled. The white blood cells, the third constituent of blood, act as a protective force, destroying harmful bacteria, removing dead cells and attacking and neutralising poisons which have invaded the body.

● The human nose acts as an air-conditioner and air-purifier. The average nose cleans about 15 cu.m (530 cu.ft.) of air everyday. Enough air to fill a small room. No matter how hot or cold it is outside, the nose supplies air to the internal organs at about 35 degrees Centigrade (95 degrees Fahrenheit).

● It is the brain that enables us to think, reason,

judge, remember, appreciate the finer things of life like music, poetry, art, and so sets us apart from other animals. We are just beginning to understand how this miraculous computer works. We can realise how complicated the structure of the brain is when we learn that there are 100,000 million cells in it and from each cell about 100,000 fibres come out. Every second the brain receives and sends 50 million messages.

HERE ARE SOME INTERESTING QUESTIONS.

CAR AND BIKE

AN AMERICAN STANDARD FOR THE WORLD

CONCEPT BIKE FROM IVM

Seen at Intermot '98 in Munich was this striking new machine drawn up by the German motorcycle federation IVM. Dreamed up as a low cost commuter machine for the times, this runabout has been designed to be trendy and stylish, yet features as many design details with simplicity so as to be built at a low cost. The IVM 125OR, as the bike is known doesn't break any new ground but the overall turnout should be right there for any of the Asian nations wanting to produce a brand new bike for their booming bike crazy markets.

All the trappings for the rich and the famous are evident in the passenger compartment with acres of leather, fine wood, shiny chrome inlay work, etc.

Even with the canvas top in place, the V16 looked rakish and sporty and with its overall proportions, had a dignified presence.

The magnificent 45' V1S

engine displaced no less than 7.4 litres and could rustle up anything between 175bhp to 200bhp depending on specification. In sheer engineering terms, it was a tour de force.

The finest in American coachwork, the 1931 Cadillac V16 set style trends for its era which even many in Europe were hard pressed to match.

MODENAS TO USHER IN GP TECH FOR THE ROAD

Kenny Roberts' revolutionary 500cc V3 Grand Prix bike could

well be the basis for an all-new superfast two-wheeled street-legal missile! The go-getting Malaysian firm Modenas who back the Roberts Grand Prix effort have been in discussion with Kenny and his team, to try and make a small run of bikes for those who seek the ultimate in performance. As this rendering by noted bike designer Glynn Kerr reveals, the styling is very similar to the Marlboro backed racing bikes seen on the GP circuits but with a Ducati 916-style front headlamp unit, turn signal indicators front and rear, a tail lamp and registration plate holder plus proper mudguards and other details necessary for the road. The bike will mirror the GP machine in every other detail including the two-stroke reed valved 500cc V3 engine with its cassette-rigged seven speed gearbox. If the effort goes as planned, Modenas hopes to make a small run of these bikes for sale to diehard biking aficionados.

FIRST INDIAN COMICS ON INTERNET

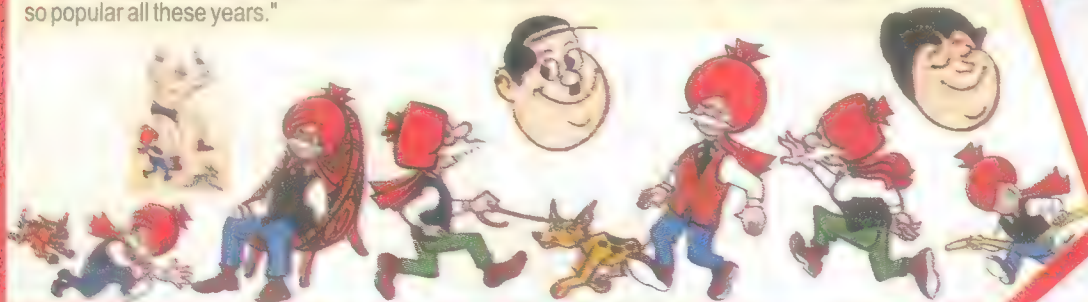

CHACHA CHAUDHARY and SABU, the famous characters published by Diamond comics, which you have been reading in COMIC WORLD, have been put on website- www.prancomics.com. Created by veteran Cartoonist PRAN in 1969, these will open a new vista to the western countries and the world to have glimpse of Indian characters and culture. They will see the strips which are totally different from the western comics. This website will also enable the Indian population living in far off parts of the globe to enjoy tales of their own land. The world will experience a different kind of humour, which was hitherto unknown to them.

Alongwith CHACHA CHAUDHARY, cartoonist Pran's other popular series- SHRIMATIJI, BILLOO, PINKI, RAMAN and CHANNIE CHACHI etc. have also been put on the internet. The site also comprises jokes and pranks.

There was a time, when India imported 100 per cent comics from the western countries. Pran thought of creating Indian strips having our own characters and based on local themes. Thus in 1960, he created DAABU, a teenager boy, whose adventures alongwith Professor Adhikari, ran simultaneously in Nav Bharat Times, Children's Sunday post, Sudha and karmaveer. A recipient of People of The Year 1995 award, instituted by Limca Book of Records, for popularising comics in this country, Pran's Features run in over 30 newspapers in 10 languages. He has published uptill now more than 350 books comprising over 2 lakh drawings. Two episodes each of Chacha Chaudhary and Shrimati series, have been acquired by International Museum of Cartoon Art, USA. In 1983 Prime Minister Mrs. Indira Gandhi released his comic book on communal harmony - Raman, United We Stand.

Born on 15th August, 1938, in a small town Kasur near Lahore, Pran, then a boy of 9, witnessed the holocaust which followed the partition of the sub-continent. Then he decided, when grown up, to put a smile on the faces of the people.

Complimenting the cartoonist, Mr. Jim Davis, the creator of world famous strip - GARFIELD, wrote, "You have a great touch with your drawing and I enjoy your stories as well. It is clear why you have been so popular all these years."

INDI POP Mastie Mania

Ashok Mastie sure knows how to get those feet tapping and the fingers snapping.

The man whose latest Punjabi pop album is called Yeh Hai Mastee! had the young ones enjoying moment of his masti-filled performance. A times Music artiste, Mastie's Yeh Hai...

Includes eight live-wire tracks of classic and traditional Punjabi songs which have been reworked to suit the contemporary taste of the young generation, yet retain the original essence of Punjabi folk music.

When Mastie performed at Annabelles enthusiastic audience egged on the Punjabi pop singer, who belted out his most popular numbers, *Punjabiyan di ho gayi*, *Dil de de* and *Haye lacchiye*, and then bee-hopped into a session of singing other popular Punjabi songs, sans music his clear, strong voice resonating in the electrified atmosphere. A spirited performer, Mastie not only allured the crowd with his huge voice appeal, but also with his magnetic personality.

It was quite an experience for the singer himself.

"I've performed in Mumbai and Ahmedabad with live bands," he reveals, "but this is the first time I performed in Delhi at a disc. It's been good fun." Believe us, the audience, felt the same way too!

INDI POP

Manjeet Pahwa

Manjeet Pahwa, the new music video kid on the block, is the maker of 'Mohabbat Sheeshe Ka Ghar', which features Shahbaz Khan and Geeta Bali, Miss India Canada, and has some more new videos coming on air soon, all of them for Vision Channel. Among them are two videos for a UK-based singer, name kept secret for the moment. Meanwhile, he keeps himself occupied by, amongst other things, making films for the government on Aids awareness.

Rain Follows Silk Route

Fusion band **Silk Route** has some funny stories to tell. Such as, it invariably rains whenever they play their hit songs, 'Dooba Dooba' and 'Boondein'. Though, when you come to think about it, those titles are moisture-inducing to say the least. Says Atul Mittal, the baby of the band, "It has always rained when we have sung these songs. In Bangalore when Channel 'V' had their major bash, we were the only band, that performed before the downpour washed out the show completely." So who knows what kind of weather will be induced when they release their new album which they have just started to work on. Maybe they might finally get it to snow in Mumbai? Give it a try, guys.

Sonu scores with 'Deewana'

T-Series, scenting the sweet smell of success, went to town with their latest Sonu Nigam Pop release, 'Deewana', producing not one, but three videos of one song from the album! Of course, the videos were different medleys. It was an unprecedented marketing blitz which ensured that 'Deewana' is one of this year's biggest

Smaller, Slimmer Version of Sachin Tendulkar

That's Rahul D'Mello for you. The similarities go way beyond looks for both are ace performers. Rahul is the latest and hottest new act signed on by Times Music. He's well grounded in black sound -soul, RSB, and jazz, and brings these influences to Indi-pop in his new album, **Rahul**. Check out *Rhimjhim* with its strong western grounding. And catch 25-year-old Rahul on any stage. He's a firebrand, with pulsating energy levels which he immediately transmits to the crowd. Yup, he's part of the rare breed of performers that India has, as opposed to the plastic studio recording artiste.

Mighty Joe Young

Director : Ulu Grosbard

Producer : Kate Guinzberg and Stave Nicolus

Based on Jacquelyn Mitchard's popular Novel of 1996 the tale begins extremely well by introducing the happy married Cappador as Beth a loving wife and devoted mother who's also trying to maintain a photographic career and hubby pat who dreams of opening his own restaurant. Arriving with her three small children for a 5 year high school round in a Chicago hotel Beth asks her eldest son Vincent to take care of his 3 year old brother; Ben disappears seemingly without trace and a frantic search begins in the crowded hotel.

Local police are responsive and helpful assigning a tenacious detective Candy Bliss to the case In the first reel pleiffer is brilliant as an anxious mother consumed with finding her lost son.

Director : Ron Underwood

Mighty Joe Young is wholesome, well crafted family fare. It is essentially the story of a kindly 15 foot ape struggling to find his place in a modern world.

Scientist Dr. Ruth Young (Linda Purl) and her young daughter Jill (Mika Boorem) are studying the behavior of a family of apes in Tanzania. Among the gorillas is young Joe, whose raw genetic mutation makes him grow faster than his peers. Playing up the innocence and harmony of a natural world at peace, the early scenes make a fitting counterpoint to the violence and devastation that ensue when deadly poachers arrive on the scene.

Leading the pack of poachers is the evil Strasser (Rade Sherbedgia) who plans to snatch the baby gorilla for sale on the black market. When the poachers kill Joe's mother, Ruth steps into the line of fire. Suffering a fatal wound, Ruth tells her daughter to protect Joe. Years pass on and the adult Jill (Charlize Theron) and Joe live in peace and seclusion He becomes a kind of folklore and few believe he actually exists until scientist Gregg O'Hara (Bill Paxton) in the course of his research stumbles onto evidence of Joe. Word spreads and Greg's discovery leads to the poachers return. News of the apes arrival reaches Strasser who hasn't forgotten the baby gorilla that got away. Posing as a benefactor of the preserve, Strasser plans to convince Jill that he can give Joe a better life in his own South American 'preserve' - really a front for black market trading in endangered animals

When Joe loses his temper and wreaks havoc, Dr Baker (Lawrence Pressman) has the ape sedated and incarcerated. Trusting Strasser's invitation, Jill arranges for a truck to take Joe away but soon realising that she was set up engineers a traffic accident that enables Joe to escape.

The Matrix

What is the Matrix? Don't you dare ask that question. Instead stick to the film's promotional slogan: "No one can be told what The Matrix is. You have to see it for yourself." Because seeing is believing. Believing that you just can't tell anybody what The Matrix is, even after having seen it, since you haven't understood it yourself! But let that not put you off a movie that is probably the best sci-fi flick seen in recent years.

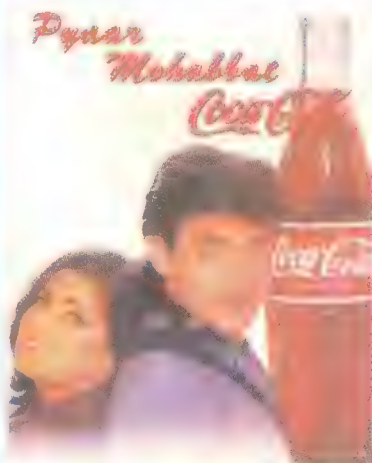

Come to think of it, when did a plot-even if it's more puzzling than Rubik's Cube-ever stop people from enjoying a film? Yeah, so The Matrix has the most incomprehensible plot since Mission:Impossible. But it's also the most inventive action yarn ever seen since John Woo treated us to slow-motion shoot-outs. But if you thought action can't be any slower than Woo, then think again. Because in The Matrix, it's not just people who move in slow-motion with their guns blazing, but even bullets travel in slow-motion and once they even stop in mid-air and drop down to the ground.

In fact the film opens with a breathtaking sequence where the enigmatic Trinity (Carrie-Anne Moss) springs into the air, freeze in mid-air, runs along walls, freeze in mid-air and disappear down an ordinary telephone. That sets the tone for writer and Larry

Wachowski's \$60million epic about a confused computer hacker called Thomas 'Neo Anderson (Keanu Reeves) who slowly realises that the present is actually a thousand years in the future when machines have not only enslaved humans, trapping them in a computer-generated illusion called The Matrix, but they are also living batteries for these machines.

But our hero joins a band of rebels led by Morpheus (Laurence Fishburne) who, driven by the predictions made by a black lady called The Oracle, who is of ten baking cookies in an ordinary kitchen, takes Keanu aboard his submarine-like vehicle called Nebuchadnezzar and trains him in the art of cyber-warfare-which isn't all that difficult when you consider that one can master how to pilot a helicopter in seconds after having downloaded the instruction manual into the memory.

The Matrix has been a huge hit abroad, grossing nearly \$100 million in two weeks at the US box office. So does it surprise anyone that two more sequels are on the way? But now that you have a fair idea of what the film is all about, thanks to this public-interest article, here's your chance to check out the most visually stunning film of the year. .so far

After History,
it's Action
for Shekhar

After the mind-boggling success of Elizabeth, Shekhar Kapur has now been signed to direct Dream Work, action-adventure, Air Pirates. The film is based on the true exploits of airplane salvage expert Gary Larkin. In pirates, Larkin's search for fortune turns deadly when he is commissioned by a woman to uncover the truth behind her husband's disappearance during a secret World War II mission.

Elizabeth and Pirates are not Kapur's only projects in Hollywood. He is also involved with a number of other US features that include the Warner Bros Drama Steinbeck's Point of View. He is also committed to direct the Nelson Mandela biopic Long Walk to Freedom.

What are the various competitive exams a PMT aspirant can appear for?

Firstly, you must appear for the state PMT exam for which you have a domicile.

Besides that the various all-India level exams without domicile restriction are:

AIIMS, AFMC, CMC Vellore, Jawaharlal Nehru Medical College (AIIMS), APJEE (Pondicherry), Mahatma Gandhi Institute of Medical Science (Wardha), etc.

In addition to these, there is an All India Pre-Medical/ Dental Test conducted by CBSE covering 15% of the total seats in state medical and dental colleges except those in Andhra Pradesh and Jammu & Kashmir. All those who have passed class XII from any board in Delhi are eligible to appear for DPMT. DPMT is relatively easier than the All-India Pre-Medical Test conducted by CBSE.

How are the medical seats filled in the state PMT exams?

What are the essential eligibility conditions for the various exams?

For state PMTs there is a domicile requirement.

You must have passed 10+2 with PCB with minimum 50% marks in English, Physics, Chemistry & Biology taken together.

You must have completed 17 years of age on July 1 of the year in which the academic session of the course commences. There is no upper age limit.

When are the exams held?

Most of these exams are held from April and go on to July. Students doing 10+2 from state boards may face problems as their board exams may also fall within this period.

How to prepare for these exams?

You must be well versed with your class 11 & 12 syllabus. For all-India Pre-medical/dental test of CBSE do

not neglect your NCERT books specially those for Chemistry & Biology.

Besides these, do keep some good standard reference books at hand.

Solving multiple choice questions for practice, after studying each topic is also advised.

As the PMT exam covers the entire syllabus, all topics must be thoroughly covered. Often students skip or leave out some topics, and later regret the decision.

The following topics are important from the examination point of view:

Biology	- Application of Biology
Ecology	
Physics	- Modern Physics
Chemistry	- Organic Chemistry

Is classroom coaching necessary?

Yes, coaching does help, but to a limited extent.

It ensures regularity and thus helps you to systematically cover the vast syllabus in a well planned manner.

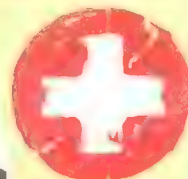

To a large extent, it motivates you to work harder as you have to compete with your colleagues.

A good faculty will also help you resolve your doubts as and when they arise.

Most importantly, simulated tests give you an exact examination hall feeling.

But take care to choose the right coaching institute, as most of these are just commercial shops that are out to please you.

MIRROR MIRROR ON THE WALL

I am 16. My legs are darker than my thighs. This prohibits me from wearing minis and shorts. I also have very dark elbows and knees. Please advice.

Rinki Mukherjee, Kanpur:

Take lemon juice and sugar and rub this on the areas daily for about ten days. The sugar will soften the areas and help remove dead skin and the lemon juice will help lighten the area.

You will see the difference within the first two treatments itself.

Suparna Mittal

I belong to a profession where I have to put on a lot of make-up and work under intense lights. Do you think that in the long run, it is going to damage my skin? How do I take precautions?

Mountika Shinde, Mumbai

The golden rule for you would be a proper cleansing and moisturising programme. Never leave any trace of make-up and the best way to remove make-up is with almond oil. I have seen many models and film stars who visit our centre boast of glowing complexion because of their disciplined cleansing programme.

Try and avoid make-up whenever you can and keep your face thoroughly clean. The effects of water are far-reaching and vast. So take lot of water everyday.

I have been getting grey hair since the age of 19. Now they have started spreading all over my head and I just don't know how to control them. Henna makes the hair red and it is time consuming. Should I go for dyes and international colours?

Roshi Guha, Siliguri

Why not enjoy your grey instead. After all if you don't want to put in the effort to go for something safe and natural like henna, which, mind you, has to be done regularly, and you want instant solutions like using chemical dyes, then you have either the choice of going grey and enjoying it or being prepared for the consequences of chemical colour which has damaging effects in the long run.

I am a woman of 25 and do take care of my skin. I clean it with a cleanser everyday and use a besan and lemon mask every morning. Do you think I need to do some additional treatments to keep my skin looking and feeling good?

Suchita Kapoor, Aligarh:

With the fall of estrogen in the body as we get older, we need to moisturise our skins more. Please add a tsp of fresh cream to the natural mask that you are making daily and the white of an egg. This will help moisturise and tighten the skin. Also take a high protein diet and try and pamper yourself with a professional facial at least twice a month.

ORKO'S MISTAKE

KING RANDOR HAS ASKED ME TO COME TO THIS VILLAGE AND ENTERTAIN THE CHILDREN. THE VILLAGE WAS HIT BY A TIDAL WAVE RECENTLY AND MOST OF THEIR POSSESSIONS WERE DESTROYED.

ORKO HAS AGREED TO ENTERTAIN THE CHILDREN IN THE EVIL VILLAGE WITH A DEMONSTRATION OF HIS MAGIC POWERS...

I HOPE MY MAGIC CAN HELP TO CHEER THEM UP.

LOOK! IT'S ORKO! GREAT!

HAVE YOU COME TO SHOW US SOME MAGIC ORKO?

YES, SHOW US SOME MAGIC PLEASE ORKO PLEASE!

THANK YOU FOR YOUR WARM WELCOME. I'LL BE HAPPY TO SHOW YOU SOME MAGIC AND I'LL BEGIN WITH THIS USEFUL TRICK...

AND I HOPE IT ALL GOES WITHOUT A HITCH.

THIS SPELL SHOULD MAKE THIS OLD HUT AS GOOD AS NEW... YIKES! IT-IT WORKED!

WOW! DID YOU SEE THAT?

WHAT A GREAT MAGICIAN ORKO IS!

PERHAPS I WILL BE ABLE TO DO MORE FANTASTIC TRICKS IF I TRY. I HAVE A SHORT WHILE BEFORE HE-MAN ARRIVES TO ENTERTAIN THE KIDS SO I THINK I'LL GIVE IT A TRY!

ORKO BECOMES A BIT OVER-CONFIDENT, AND SOON...

AW, THAT TRICK IS NOTHING COMPARED TO WHAT I AM ABOUT TO DO! THIS TRICK WILL REALLY IMPRESS YOU. FIRST I WANT YOU TO MAKE A MONSTER SHAPE OUT OF THE SAND!

I WONDER WHAT ORKO WILL DO WITH THE SAND?

I DON'T KNOW BUT IT'S GOING TO BE GREAT!

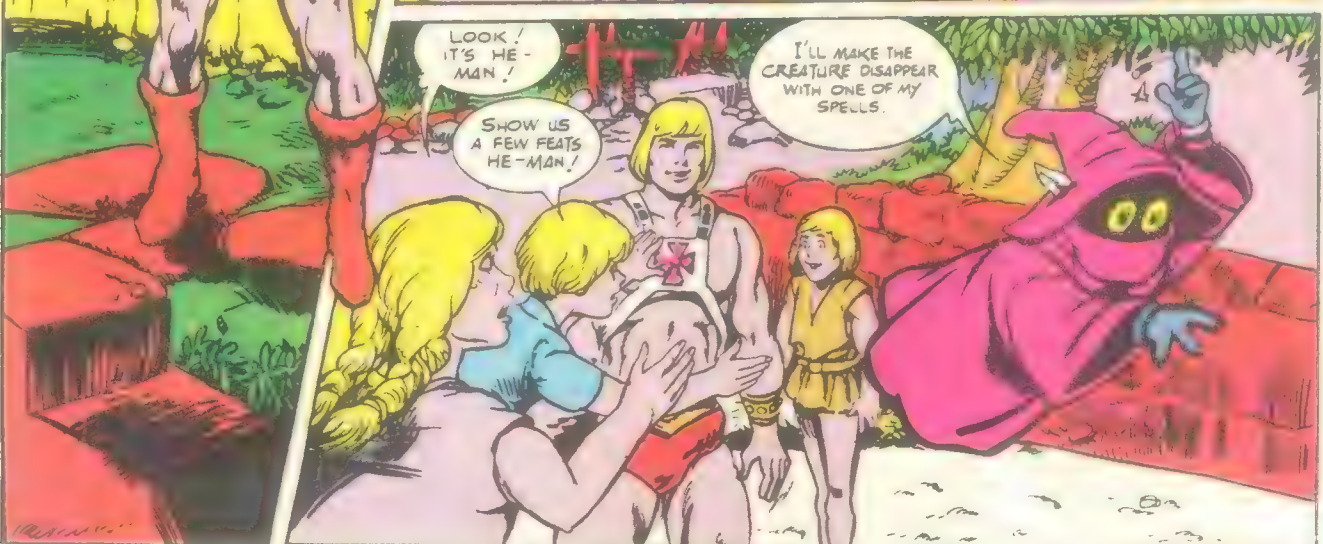

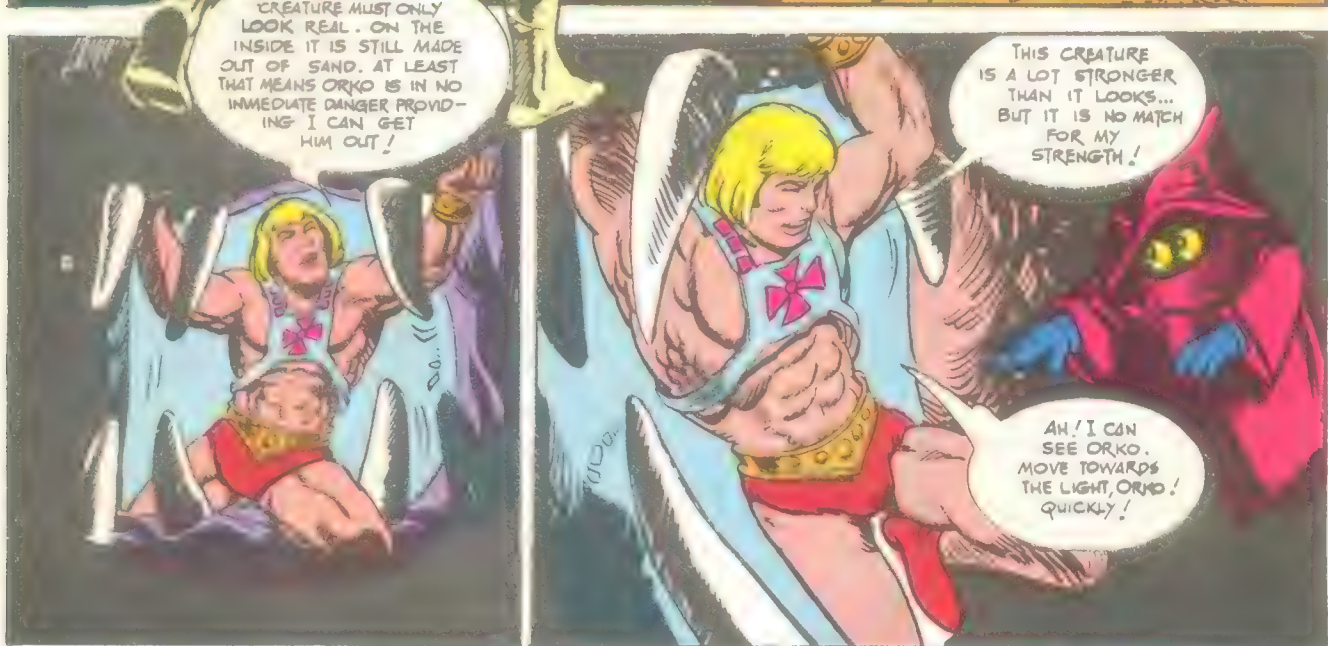

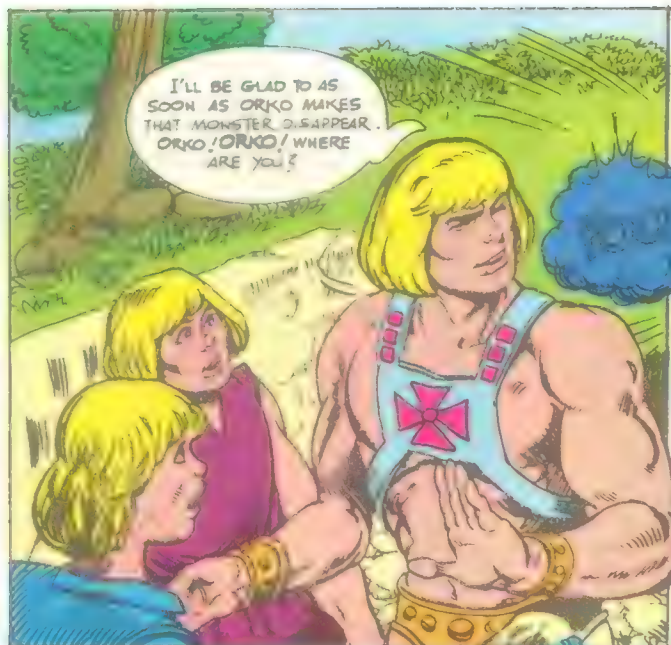

NOT LONG AFTER...

AND NOW, CHILDREN I WILL MAKE THIS DRY, LIFELESS MOUND OF SAND INTO...

AT THAT MOMENT THE SECOND SPECIAL GUEST ARRIVES TO ENTERTAIN THE CHILDREN...

GANG-
WAY!

AND NOW
ALL I HAVE TO
DO IS GET RID
OF THIS
TERRIBLE
CREATURE!

AT LEAST
ORKO IS NOW
SAFE!

OFF! THAT CREATURE
TOOK ME BY SURPRISE.
THAT TAIL PACKS
A POWERFUL
PUNCH!

POW!

MOMENT'S
LATER...

THE MONSTER
IS SO CONFUSED BY
THINGS THAT I HAVE BEEN
ABLE TO SNEAK BEHIND IT.
LUCKILY IT IS NOT A LIVING
CREATURE SO I
CAN DO...

...THIS!

I CAN'T CONTINUE TO
FIGHT THIS CREATURE HERE.
IF I DO OUR BATTLE
WILL COMPLETELY DESTROY
WHAT'S LEFT OF THIS
VILLAGE.

WAIT! IF THIS
CREATURE IS MADE
OUT OF SUPER-HERO STUFF
THERE MIGHT BE AN
EASIER WAY OUT
OF THIS.

ORKO! USE YOUR
SPELLS TO CREATE A
RAIN-STORM! IT COULD BE
OUR ONLY CHANCE TO SAVE
THE VILLAGE

A-WHAT?
I-I DON'T UNDER-
STAND, BUT HE-HAN
MUST KNOW WHAT
HE'S DOING.

UGH! TRAPPED BY THE MONSTER'S FOOT. WITH MY STRENGTH I COULD EASILY THROW THE CREATURE AWAY BUT I DARE NOT DAMAGE ANY MORE OF THE VILLAGE.

THIS SPELL WILL CREATE ALMOST INSTANT RAIN!

THE SPELL WORKED. BUT THE PERSON WHO WAS TRAPPED BY THE MONSTER'S FOOT IS NOW DEAD.

IT LOOKS LIKE THE MENACE OF THE SAND-CREATURE IS OVER, WHICH LEAVES ONLY ONE THING TO DO.

THE SPELL WORKED. BUT THE PERSON WHO WAS TRAPPED BY THE MONSTER'S FOOT IS NOW DEAD.

I'M SORRY. I WAS ONLY TRYING TO HELP. THERE IS ALWAYS A WAY TO SAVE EVERYONE.

IT'S A LIE!

BLESS MY MAGIC. SHOW WILL HAVE TO UNTIL I FINISH.

BE CAREFUL WITH YOUR MAGIC.

THE SPELL WORKED. BUT THE PERSON WHO WAS TRAPPED BY THE MONSTER'S FOOT IS NOW DEAD.

I'M SORRY. I WAS ONLY TRYING TO HELP. THERE IS ALWAYS A WAY TO SAVE EVERYONE.

IT'S A LIE!

Tarzan

**VOICE OF
TUCHADA**

RETURNING FROM THE RICH
HUNTING LANDS ON THE FAR SIDE
OF THE CHANKA PASS, THE HUNTERS
OF THE ANSHA TRIBE WERE LOOK-
ING FORWARD TO A GREAT FEAST TO
CELEBRATE THEIR SUCCESSFUL
HUNT.

LABOUR ON MY FRIENDS.
WE ARE CLOSE TO THE
SUMMIT OF THE PASS-WE WILL
TAKE A REST AT THE CHANKA FORT
WHEN WE PAY OUR TRIBUTE.
BUT WE HAVE MORE THAN
ENOUGH FOOD TO SPARE.

BATUBA,
WHY SHOULD
WE HAND OVER
PART OF OUR
KILL TO
THEM?

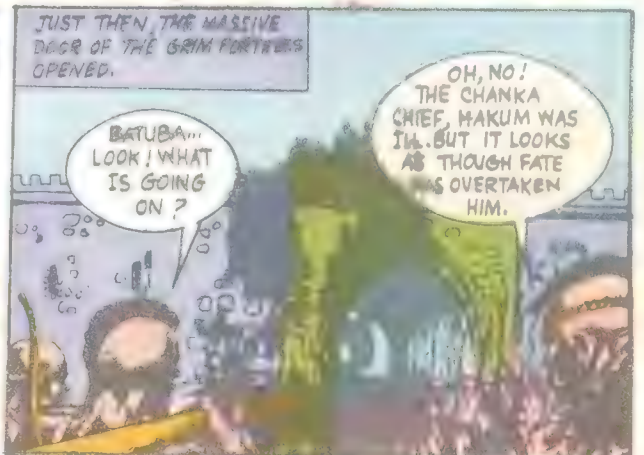

BECAUSE
THEY GUARD THE
PASS AND PERMIT ALL
TO TRAVEL IN SAFETY.
KEEPING ANY BANDITS AND
SAVAGE ANIMALS
UNDER CONTROL.

JUST THEN THE MASSIVE
DOOR OF THE GRIM FORTRESS
OPENED.

BATUBA...
LOOK! WHAT
IS GOING
ON?

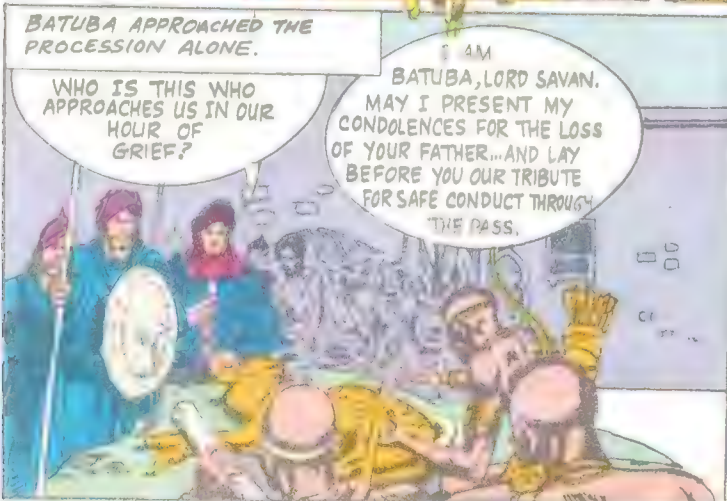

OH, NO!
THE CHANKA
CHIEF, MAKUM WAS
ILL. BUT IT LOOKS
AS THOUGH FATE
HAS OVERTAKEN
HIM.

BATUBA APPROACHED THE
PROCESSION ALONE.

WHO IS THIS WHO
APPROACHES US IN OUR
HOUR OF
GRIEF?

BATUBA, LORD SAVAN.
MAY I PRESENT MY
CONDOLENCES FOR THE LOSS
OF YOUR FATHER...AND LAY
BEFORE YOU OUR TRIBUTE
FOR SAFE CONDUCT THROUGH
THE PASS.

SAFE CONDUCT?
PAH! YOU DARE INTERRUPT
THE BURIAL OF
OUR CHIEF FOR
THAT? WAIT
HERE!

B... BUT...
WE HAVE
A LONG WAY
TO GO
SAVAN!

GUARDS! DETAIN THOSE
MEN AND DO NOT LET
THEM MOVE UNTIL I
RETURN.

OH NO! I MUST HAVE
OFFENDED SAVAN. I'LL MAKE
AMENDS WHEN HE
RETURNS.

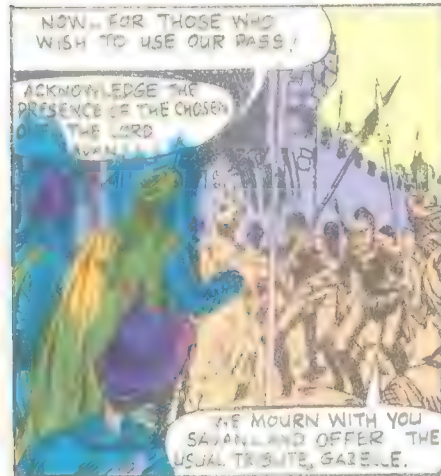

A SMALL BURIAL PLOT HAD BEEN PREPARED OUTSIDE THE FORTRESS WALLS.

GREAT PROPHET! LOOK DOWN AND TAKE OUR LEADER, HAKUM, TO YOUR MANSION.

WE PAY HOMAGE TO HIM...AND SEEK YOUR BLESSING FOR HIS SUCCESSOR.GIVE ME THE STRENGTH TO RULE HIS PEOPLE AS THEY SHOULD BE RULED.

AND NOW THAT THE OLD FOOL IS OUT OF THE WAY...THERE WILL BE CHANGES MADE AROUND HERE.

NOW...FOR THOSE WHO WISH TO USE OUR PASS.

ACKNOWLEDGE THE PRESENCE OF THE CHOSEN ONE, THE LORD SAVAN.

WE MOURN WITH YOU SAVAN AND OFFER THE USUAL TRIBUTE, GAZELLE.

IT IS NOT ENOUGH!FOR TOO LONG YOU ANSHAS HAVE EXPECTED US TO GIVE YOU PROTECTION IN THESE MOUNTAINS FOR A MERE PITTANCE.

I...I DID NOT MEAN TO INSULT YOU, SAVAN. B... BUT WHAT CHARGE DO YOU LEVY NOW?

A FITTING PRICE WOULD BE THOSE BEASTS OVER THERE.

YOU CANNOT BE SERIOUS. SAVAN! OUR PEOPLE WOULD HAVE ALMOST NOTHING TO EAT IF YOU TOOK OUR CATCH.

THAT IS MY PRICE I HAVE IT...OR GO BACK. I SHALL NOT LET YOU PASS UNLESS YOU HAND OVER THE MEAT.

IT'S ROBBERY! I WON'T LET YOU CHEAT US LIKE THIS.

BATUBA'S SHORT TEMPER WAS ALWAYS GETTING HIM INTO TROUBLE... BUT NEVER MORE SO THAN NOW.

YOU TAKE THE FOOD FROM THE MOUTHS OF OUR CHILDREN... AHHHHH!!!

GUARDS! DISARM THEM!

BY THE POWER OF TUCHADA...I SWEAR I WILL MAKE YOU PAY FOR THIS, SAVAN!

ME...PAY? IT IS YOU, WHO WILL PAY... AND HANDSOMELY... FOR THE PRIVILEGE OF USING OUR PROTECTED ROUTE. YOU CAN TELL THAT TO YOUR TUCHADA...WHOEVER HE IS.

TUCHADA IS OUR GREAT GOD! IF YOU DO NOT RETURN OUR MEAT HE WILL BE MADE TO SPEAK AGAINST YOU.

THEN TELL HIM TO COME AND SPEAK, BATUBA! NOW GET OUT OF HERE.YOU HAVE PAID YOUR PROPER TRIBUTE.

SHALL WE KILL HIM, BATUBA? JUST GIVE THE WORD!

NO... WE WOULD BE CUT DOWN BY HIS MEN! I MUST SPEAK TO MY FATHER, THE CHIEF. HE WILL KNOW WHAT TO DO!

LATER THAT DAY, TARZAN WAS PAYING A VISIT TO THE TRIBE.

YOUR TRIBE SEEMS TO BE PROSPERING, CHIEF GINDALA.

IT IS, THANKS TO THE SKILL OF MY SON, BATUBA. HE IS A GREAT HUNTER.

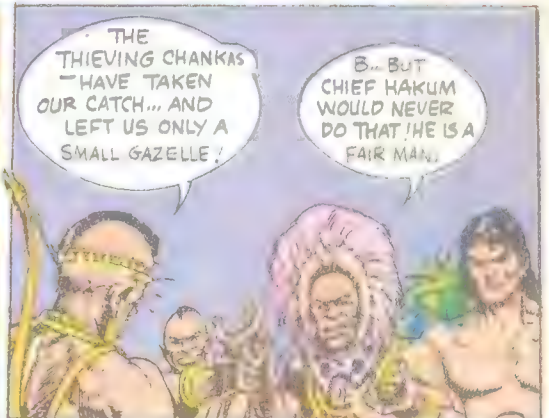

HE NEVER RETURNS WITHOUT A FINE CATCH.

JUST THEN—

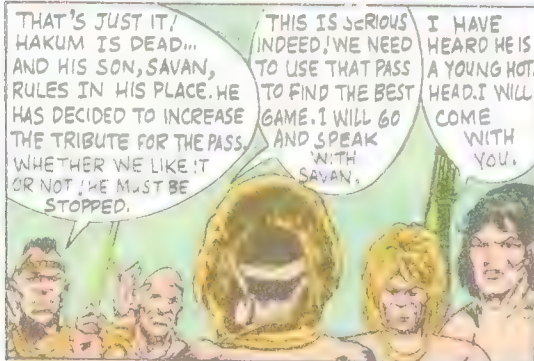

FATHER... I MUST SPEAK WITH YOU.

BATUBA? WHAT IS THE MATTER... AND WHERE ARE THE BEASTS YOU PROMISED?

THE THIEVING CHANKAS— HAVE TAKEN OUR CATCH... AND LEFT US ONLY A SMALL GAZELLE!

B... BUT CHIEF HAKUM WOULD NEVER DO THAT! HE IS A FAIR MAN!

THAT'S JUST IT! HAKUM IS DEAD... AND HIS SON, SAVAN, RULES IN HIS PLACE. HE HAS DECIDED TO INCREASE THE TRIBUTE FOR THE PASS, WHETHER HE LIKES IT OR NOT! HE MUST BE STOPPED.

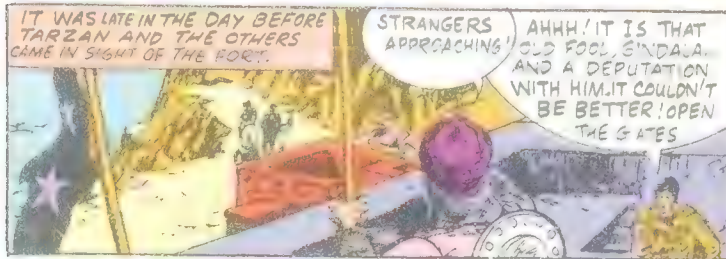

THIS IS SERIOUS INDEED! WE NEED TO USE THAT PASS TO FIND THE BEST GAME. I WILL GO AND SPEAK WITH SAVAN.

I HAVE HEARD HE IS A YOUNG HOT HEAD. I WILL COME WITH YOU.

IT'S NOT TALKING THAT WILL CHANGE HIS MIND... ONLY FORCE WILL DO THAT.

PERHAPS, BATUBA... BUT DIPLOMACY SHOULD ALWAYS BE TRIED FIRST.

IT WAS LATE IN THE DAY BEFORE TARZAN AND THE OTHERS CAME IN SIGHT OF THE FORT.

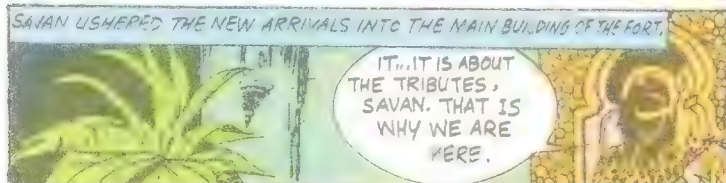

STRANGERS APPROACHING!

AHHH! IT IS THAT OLD FOOL GINDALA... AND A DEPUTATION WITH HIM! IT COULDN'T BE BETTER! OPEN THE GATES!

SAVAN... WE COME IN PEACE WE MUST SPEAK WITH YOU.

ENTER GINDALA, YOU AND YOUR FRIENDS ARE MOST WELCOME

SAVAN USHERED THE NEW ARRIVALS INTO THE MAIN BUILDING OF THE FORT.

IT... IT IS ABOUT THE TRIBUTES, SAVAN. THAT IS WHY WE ARE HERE.

LATER, GINDALA WE WILL TALK AFTER YOU HAVE BEEN SHOWN THE HOSPITALITY OF MY HOME. THIS WAY, PLEASE.

MAKE YOURSELVES AT HOME, GENTLEMEN. FIRST EAT, THEN BUSINESS.

I... I HAVE NEVER SEEN SO MUCH FOOD!

ALL STOLEN FROM TRAVELLERS THROUGH THE PASS, NO DOUBT.

YOU ARE VERY GENEROUS, SAVAN. I REMEMBER YOUR FATHER WAS A MORE FRUGAL MAN.

THOSE DAYS HAVE GONE, GINDALA. EAT UP, ALL OF YOU.

I SENSE AN EVIL BEING. I MUST BE ON THE ALERT.

AFTER A SOLID HOUR OF FEASTING.

AH - I CAN EAT NO MORE IF NE FOOD, SAVAN. WHAT IS VERY FINE... BUT CAN WE NOW DISCUSS YOUR NEW TRIBUTE LEVY FOR THE PASS?

DISCUSS IT? WHAT IS THERE TO DISCUSS GINDALA?

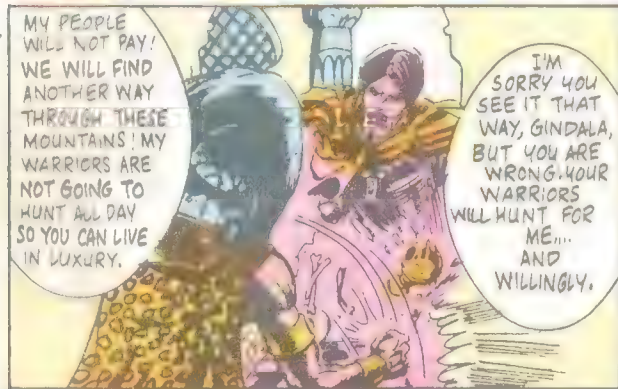

BUT... THE PRICE IS TOO HIGH. YOU TAKE THREE-QUARTERS OF A HUNTING PARTY'S CATCH.

AT THAT RATE, WE COULD NEVER KILL ENOUGH GAME TO FEED THE VILLAGERS.

UNDERSTAND YOUR CONCERN, BUT MY PEOPLE MUST LIVE AS WELL! PROTECTION DOES NOT COME CHEAPLY THESE DAYS!

WE'RE BEING WATCHED.

MY PEOPLE WILL NOT PAY! WE WILL FIND ANOTHER WAY THROUGH THESE MOUNTAINS! MY WARRIORS ARE NOT GOING TO HUNT ALL DAY SO YOU CAN LIVE IN LUXURY.

I'M SORRY YOU SEE IT THAT WAY, GINDALA, BUT YOU ARE WRONG. YOUR WARRIORS WILL HUNT FOR ME... AND WILLINGLY.

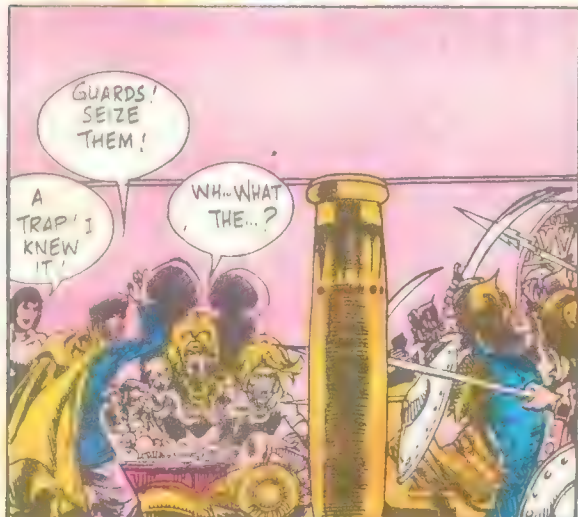

YOU HEAR THAT? HA! HA! THAT'S A GOOD ONE.

MY MEN WOULD SPIT IN YOUR FACE.

THAT IS WHERE YOU ARE WRONG, GENTLEMEN.

WHAT TREACHERY ARE YOU PLANNING, SAVAN?

GUARDS! SEIZE THEM!

A TRAP! I KNEW IT!

WH...WHAT THE...?

THE ELDERS WERE TAKEN BY SURPRISE... BUT NOT TARZAN...

GET YOUR HANDS OFF ME! I'M A CHIEF!

YOU ARE A PRISONER, GINDALA! TAKE THE JUNGLE MAN AS WELL!

YOU'LL NOT TAKE ME LIGHTLY.

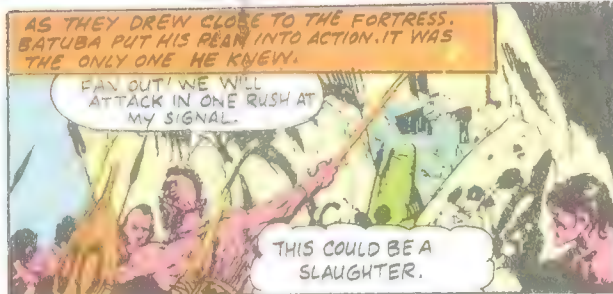

I WARNED YOU.
NOW IT IS TIME FOR
ACTION! WE WILL
TEAR THAT FORTRESS
DOWN.

IT'S NO
USE! HE WON'T
LISTEN TO
REASON.

BATUBA HAS NO
EXPERIENCE OF WAR. I
MUST HELP HIM
AND THE HOSTAGES!

AS THEY DREW CLOSE TO THE FORTRESS,
BATUBA PUT HIS BEAR INTO ACTION. IT WAS
THE ONLY ONE HE KNEW.

FAN OUT! WE WILL
ATTACK IN ONE RUSH AT
MY SIGNAL.

THIS COULD BE A
SLAUGHTER.

TARZAN WAS NEVER
MORE RIGHT.

HERE
THEY COME!
EVERYONE TO
YOUR
POSTS

LIKE LAMBS TO
THE SLAUGHTER!
LET'S TEACH THEM A
LESSON THEY WILL
NEVER
FORGET.

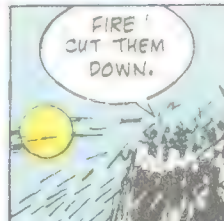

JUST THEN—

FOR THE GLORY OF
TUCHADA, DEATH TO
THE CHANKA!

ANSHA WARRIORS! FOR THE
GLORY OF OUR PEOPLE...
AND TUCHADA.

NO, BATUBA!
YOUR MEN
DON'T STAND A
CHANCE.

FIRE!
CUT THEM
DOWN.

THE ROPES!
QUICKLY! WE MUST
GET INSIDE.

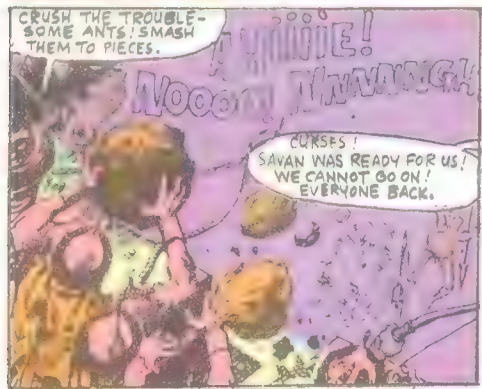

STAND
BY! READY.

BUT IT WAS TOO LATE! NO ONE
WOULD DARE TARZAN'S WORDS
—

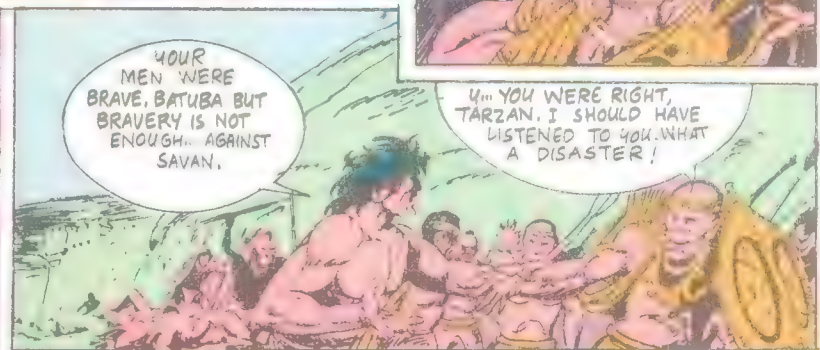

AMHHEEE!

MERE ARROWS AND
SPEARS CANNOT STOP US!
ONWARDS!!!

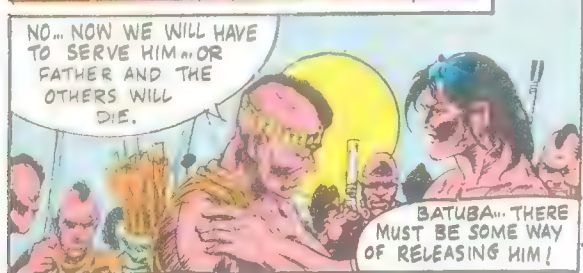

CRUSH THE TROUBLE—
SOME ANTS! SMASH
THEM TO PIECES.

CURSES!
SAVAN WAS READY FOR US!
WE CANNOT GO ON!
EVERYONE BACK.

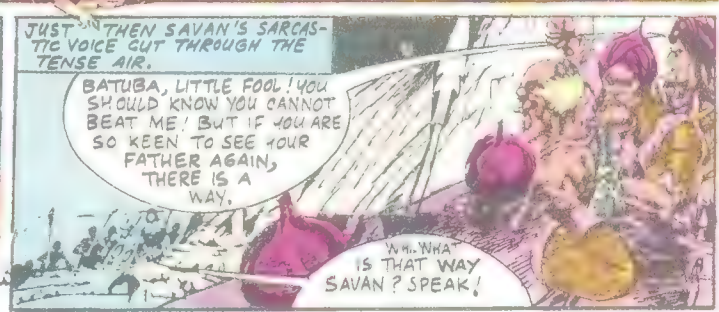

YOUR
MEN WERE
BRAVE, BATUBA BUT
BRAVERY IS NOT
ENOUGH... AGAINST
SAVAN.

Y... YOU WERE RIGHT,
TARZAN. I SHOULD HAVE
LISTENED TO YOU. WHAT
A DISASTER!

NO... NOW WE WILL HAVE
TO SERVE HIM... OR
FATHER AND THE
OTHERS WILL
DIE.

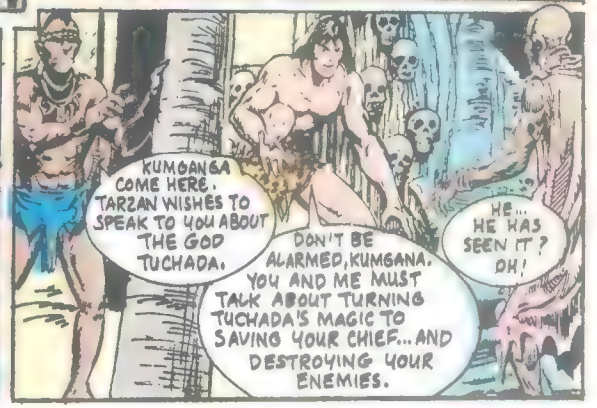

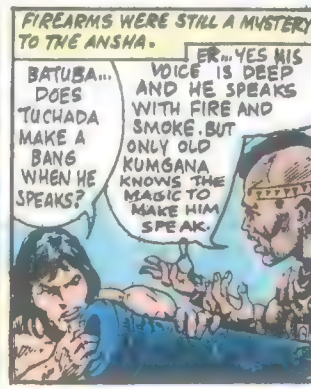

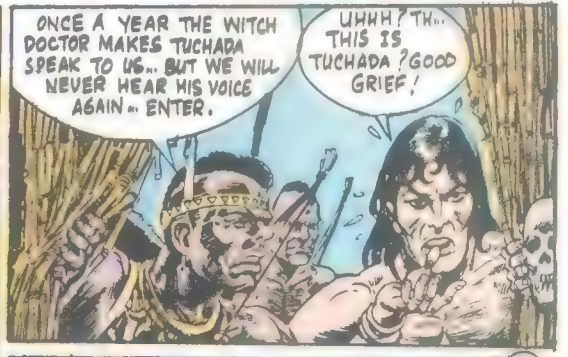

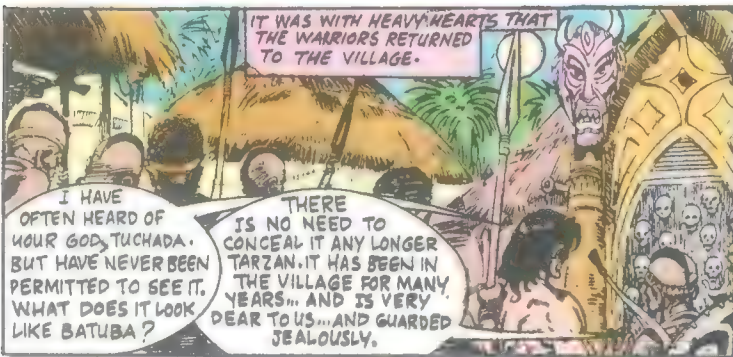

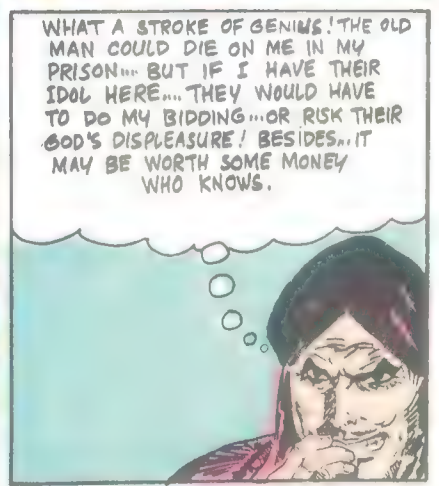

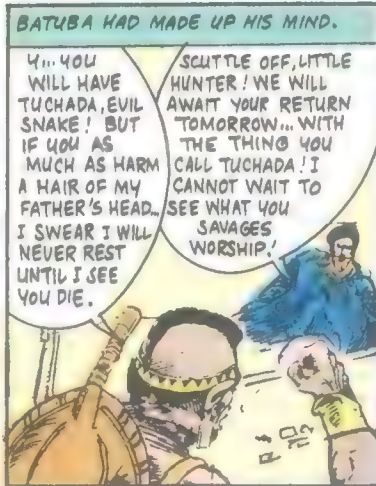

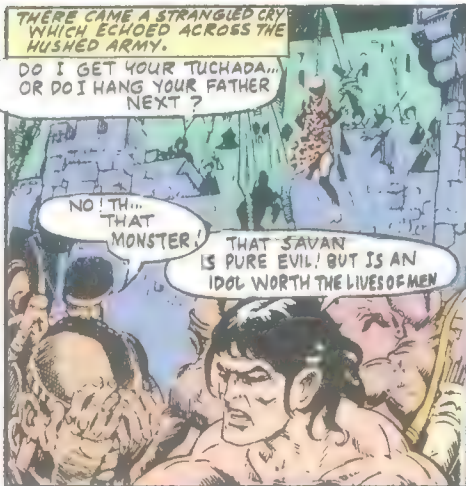

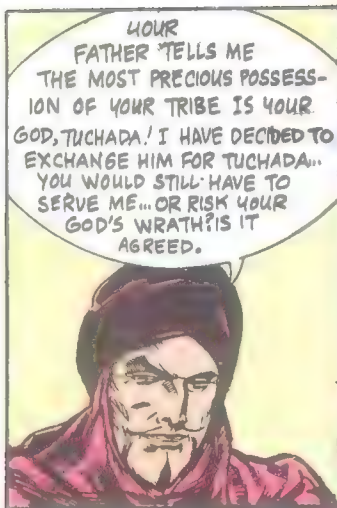

BATUBA... THERE
MUST BE SOME WAY
OF RELEASING HIM!

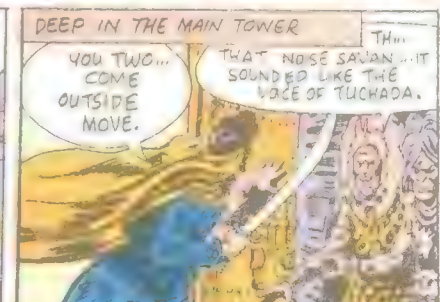

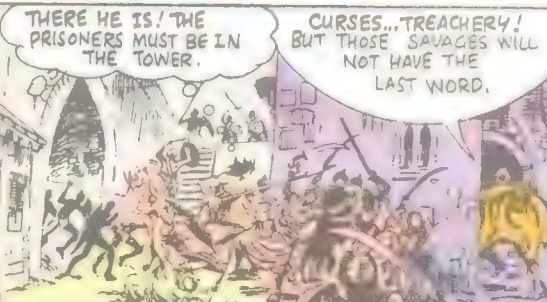

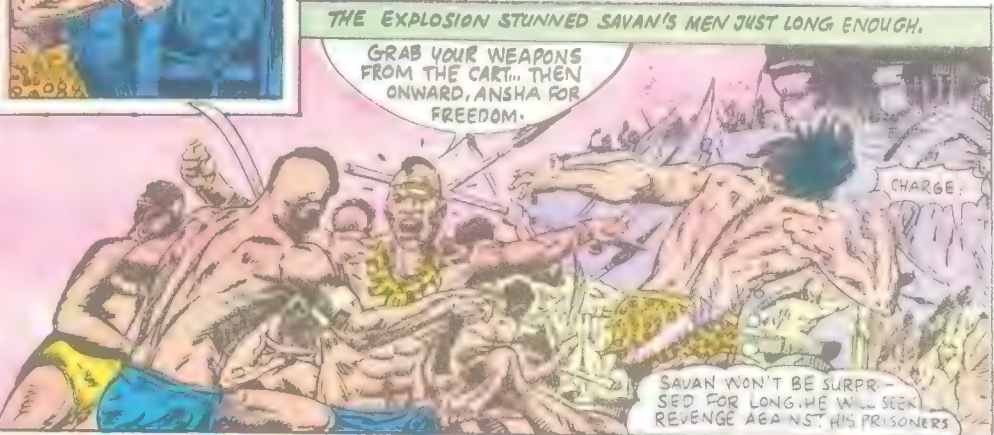

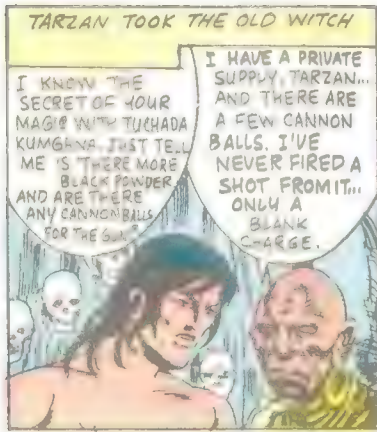

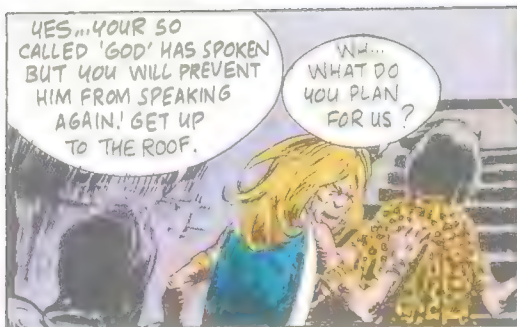

JUST THEN SAVAN'S SARCASTIC
VOICE CUT THROUGH THE
TENSE AIR.

BATUBA, LITTLE FOOL! YOU
SHOULD KNOW YOU CANNOT
BEAT ME! BUT IF YOU ARE
SO KEEN TO SEE YOUR
FATHER AGAIN,
THERE IS A
WAY.

WH... WHAT
IS THAT WAY
SAVAN? SPEAK!

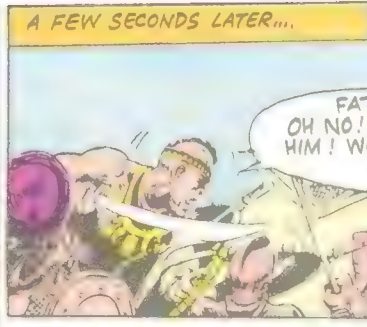

YES...YOUR SO CALLED 'GOD' HAS SPOKEN BUT YOU WILL PREVENT HIM FROM SPEAKING AGAIN! GET UP TO THE ROOF.

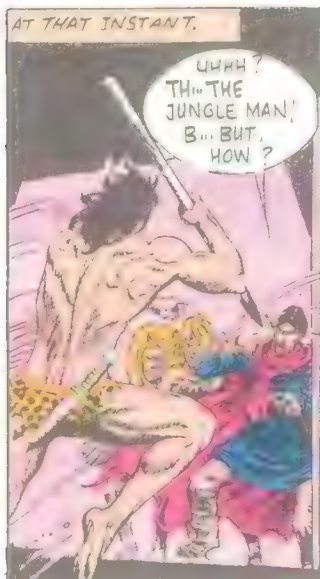

WH... WHAT DO YOU PLAN FOR US?

A FEW SECONDS LATER...

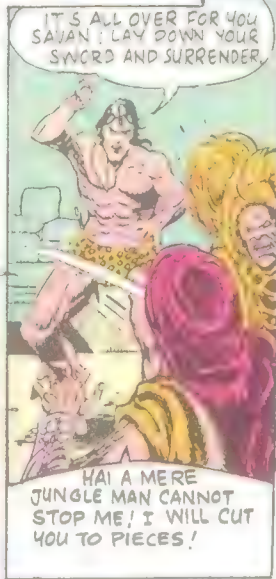

BATUBA! TELL YOUR WARRIORS TO LAY DOWN THEIR ARMS...OR YOUR FATHER DIES! YOU HEAR ME.

FATHER. OH NO! SAVAN'S GOT HIM! WE HAVE NO CHOICE.

AT THAT INSTANT.

UHHH? TH... THE JUNGLE MAN! B... BUT, HOW?

IT'S ALL OVER FOR YOU SAVAN! LAY DOWN YOUR SWORD AND SURRENDER.

HA! A MERE JUNGLE MAN CANNOT STOP ME! I WILL CUT YOU TO PIECES!

YOU LEAVE ME NO CHOICE SAVAN.

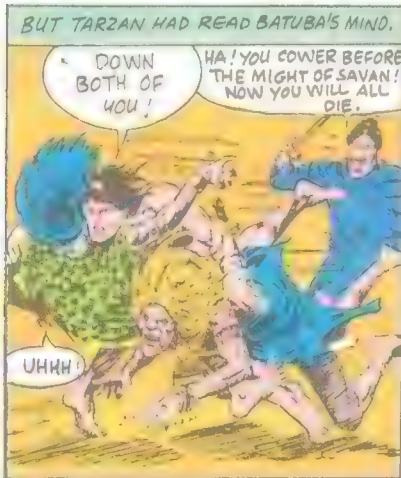

PAH! A POOR THROW, TARZAN! BUT ONE THAT WILL COST YOU DEARLY!

NOW I SHALL CUT YOU INTO LITTLE PIECES.

THEY'VE GOT THE CANNON FACING THIS WAY.

I-I THINK SO... BUT TARZAN WOULD DIE AS WELL.

BUT TARZAN HAD READ BATUBA'S MIND.

DOWN BOTH OF YOU!

HA! YOU COWER BEFORE THE MIGHT OF SAVAN! NOW YOU WILL ALL DIE.

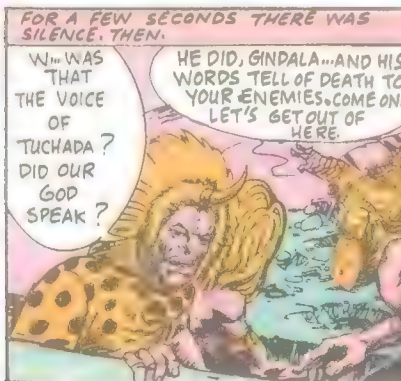

UHHH!

NOW BATUBA! NOW!

UHH? WH... WHAT THE DEVIL?

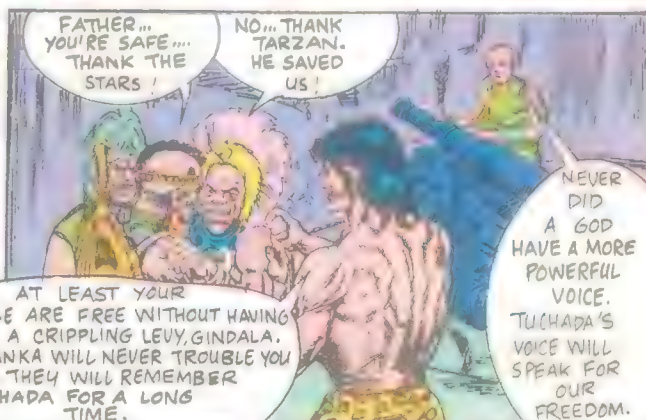

THE NEXT INSTANT TUCHADA SPOKE AGAIN AND TOLD OF DEATH ONCE MORE.

FOR A FEW SECONDS THERE WAS SILENCE. THEN.

WH... WAS THAT THE VOICE OF TUCHADA? DID OUR GOD SPEAK?

HE DID, GINDALA...AND HIS WORDS TELL OF DEATH TO YOUR ENEMIES...COME ON... LET'S GET OUT OF HERE.

FATHER... YOU'RE SAFE... THANK THE STARS!

NO... THANK TARZAN. HE SAVED US!

AT LEAST YOUR PEOPLE ARE FREE WITHOUT HAVING TO PAY A CRIPPLING LEVY, GINDALA. THE CHANKA WILL NEVER TROUBLE YOU AGAIN. THEY WILL REMEMBER TUCHADA FOR A LONG TIME.

NEVER DID A GOD HAVE A MORE POWERFUL VOICE. TUCHADA'S VOICE WILL SPEAK FOR OUR FREEDOM.

AND IN THE VILLAGE SQUARE,
A SIMILAR CRY ECHOES OUT...

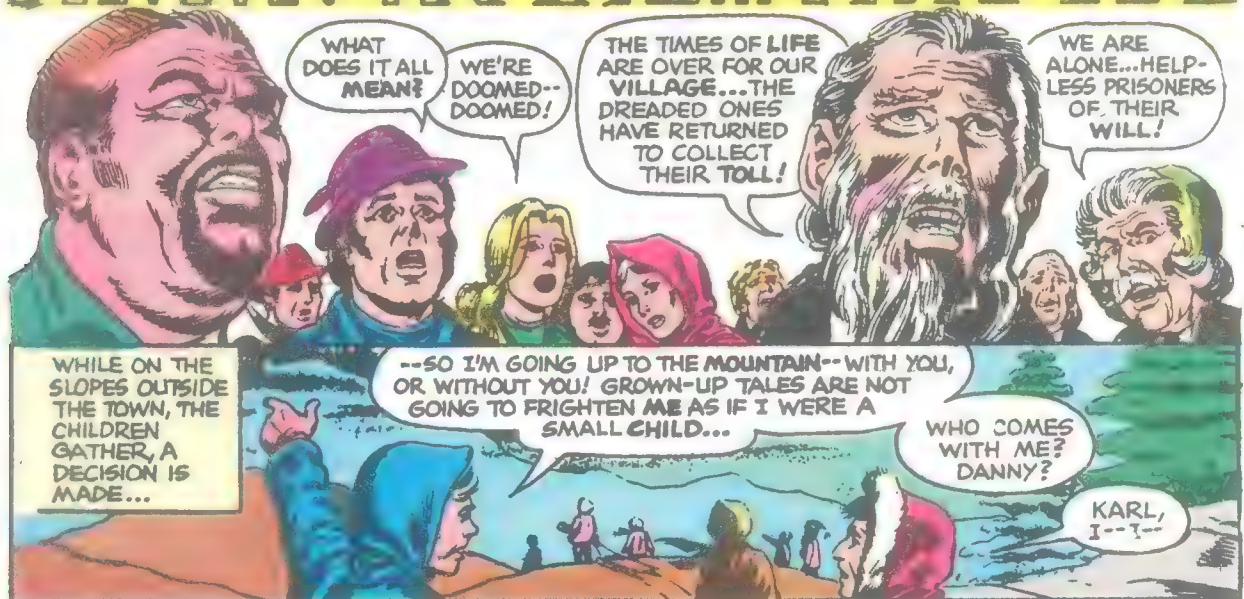

THE MOUNTAIN--
LOOK AT THE
MOUNTAIN!

IT'S COME--
THE DREADED
MIST
COME!

IT'S AS THE
LEGENDS FOREBODE!
AS WE ALL FEARED!

THE
MIST!

MAKERS OF THE MIST!

WHAT
DOES IT ALL
MEAN?

WE'RE
DOOMED--
DOOMED!

THE TIMES OF LIFE
ARE OVER FOR OUR
VILLAGE...THE
DREADED ONES
HAVE RETURNED
TO COLLECT
THEIR TOLL!

WE ARE
ALONE...HELP-
LESS PRISONERS
OF THEIR
WILL!

WHILE ON THE
SLOPES OUTSIDE
THE TOWN, THE
CHILDREN
GATHER, A
DECISION IS
MADE...

--SO I'M GOING UP TO THE MOUNTAIN-- WITH YOU,
OR WITHOUT YOU! GROWN-UP TALES ARE NOT
GOING TO FRIGHTEN ME AS IF I WERE A
SMALL CHILD...

WHO COMES
WITH ME?
DANNY?

KARL,
I--I--

FOR A LONG TIME THE BREATH IS FILLED WITH A GRIMY, SOOTY TASTE-- THE ODOR LIKE BURNING SULPHUR...DARKNESS IS A SHROUD LIKE CLINGING DEATH...AND STILL THEY MOVE ON...

IT--IT'S COLD IN HERE-- WORSE THAN OUTSIDE!

YOU'RE RIGHT--IT'S LIKE--**QUIET!** LISTEN-- DO YOU HEAR SOMETHING? OVER HERE?

VOICES FROM A FAR-OFF HELL...

GREAT ONE--
GREAT ONE--
LOOK--THE
PORTAL IS
OPENING--
THE LIGHT
BEYOND
YIELDING
TO THE
STUFF OF
LIFE...

SATAN, ALL-FATHER--
WE HAVE FOUND OUR WAY
HOME ONCE MORE!

KARL--KARL,
WHAT'S HAPPENING? IT'S--
IT'S GETTING SUDDENLY
WARM...

LOOK...

DEMONS BE
PRAISED! IT'S
OPENING, GREAT
ONE--IT'S
OPENING!

A BEAT...A HEARTBEAT OF TIME,
A PASSING MOMENT OF ETERNITY...
SUDDENLY SHAMELESS FEAR AT THE
SIGHT BEFORE THEM OVERWHELMS
THE TWO BOYS, AND...

GOD--OH, MY GOD--
THEY'RE AWFUL! AWFUL!
COULD THEY HAVE SEEN US,
KARL--DID THEY SEE US??

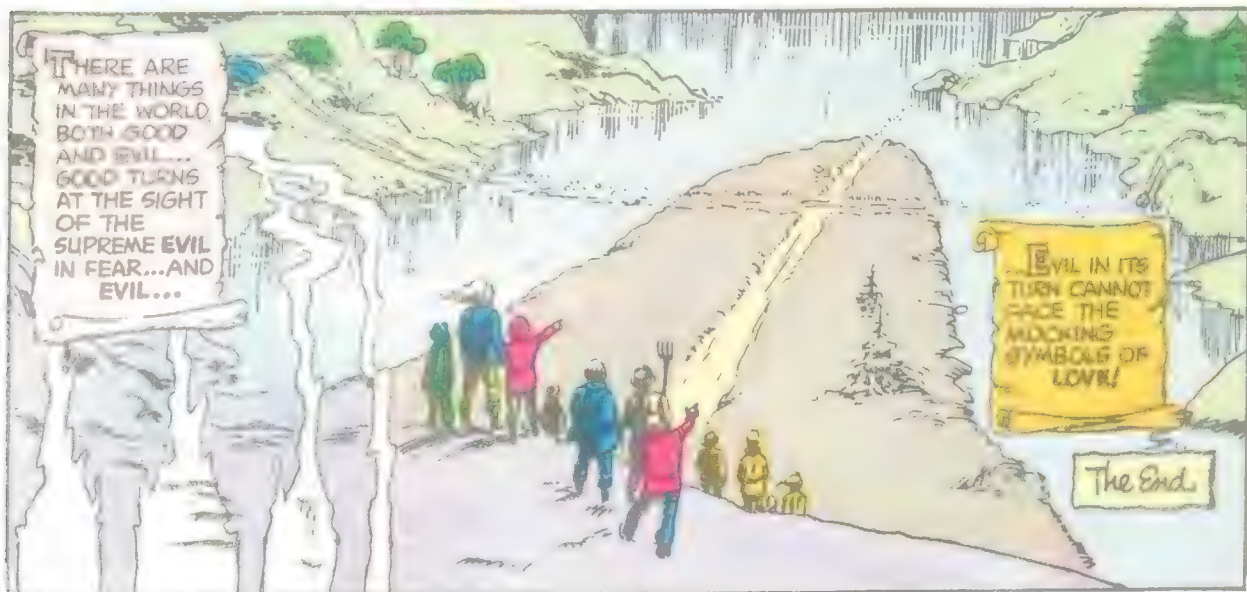

I DON'T
KNOW--I
DON'T
KNOW!

WHAT--
WHAT WERE
THEY, KARL?
SO--SO
UGLY--
HIDEOUS!

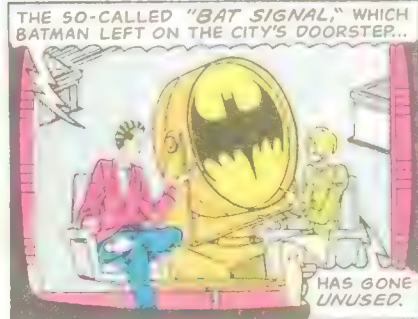

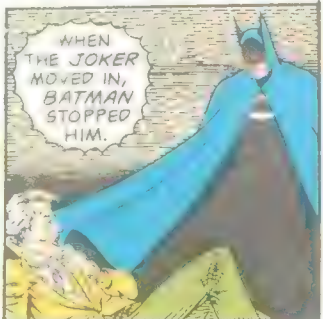

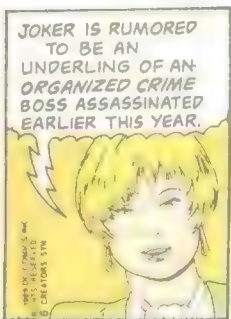

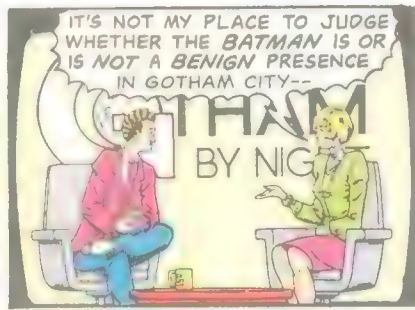

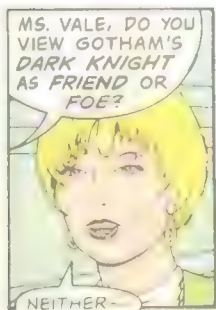

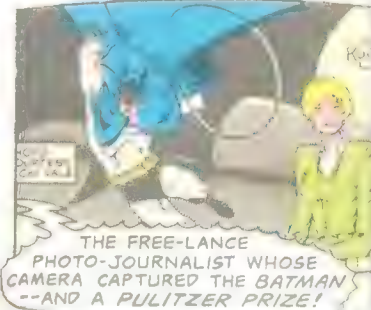

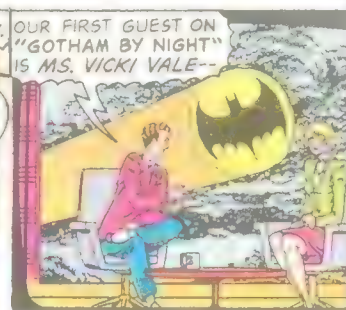

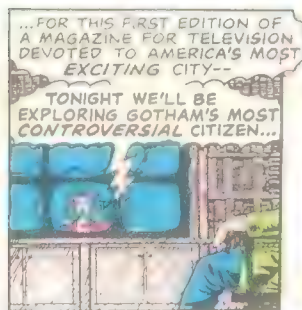

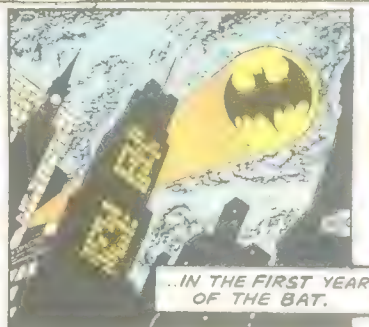

D-DEMONS--D-DEMONS
FROM THE BLACK PITS
OF HADES! DIDN'T YOU
HEAR THEM--

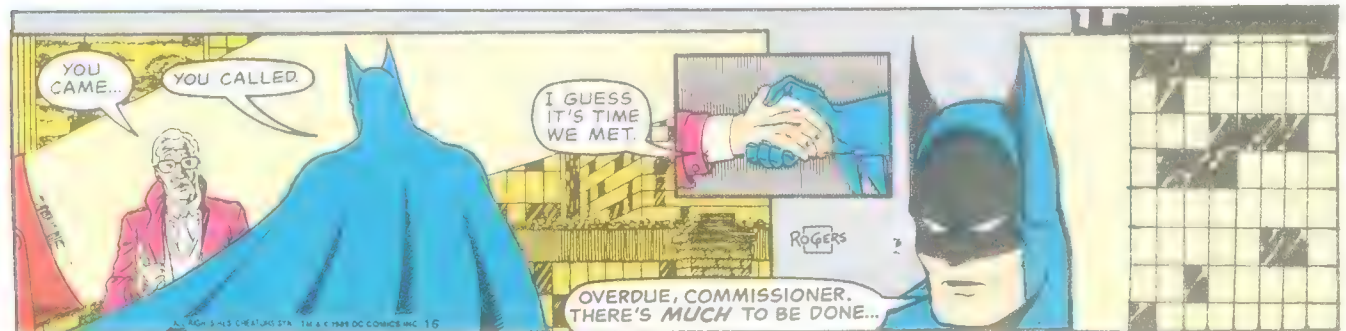

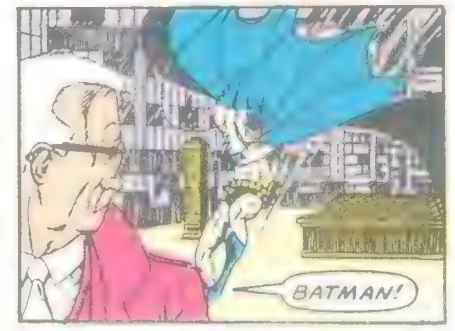

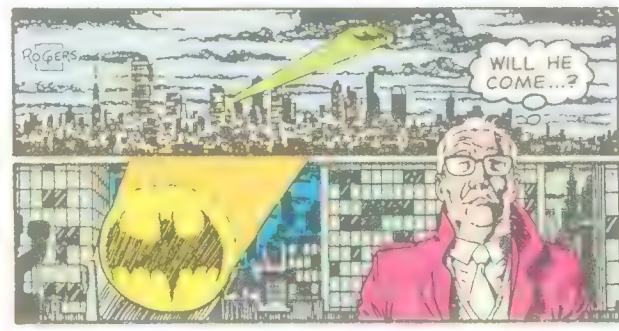

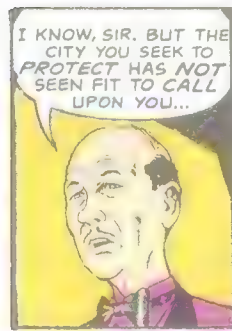

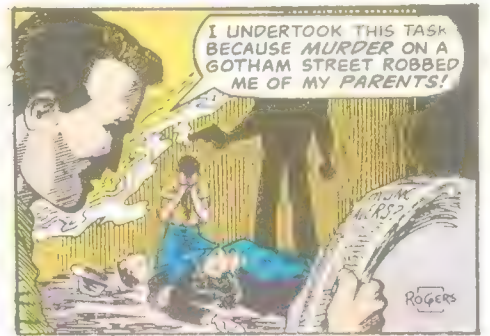

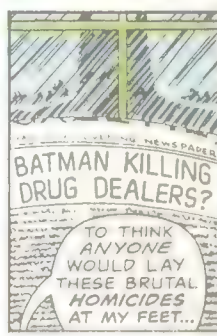

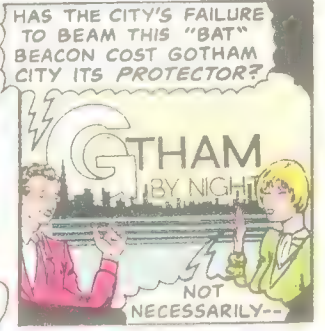

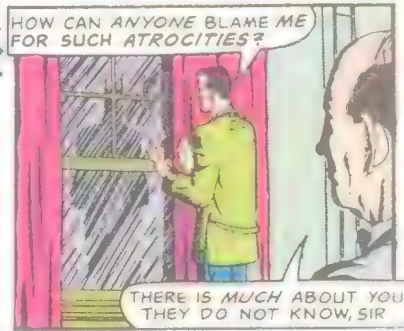

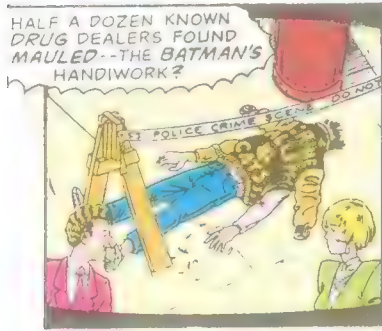

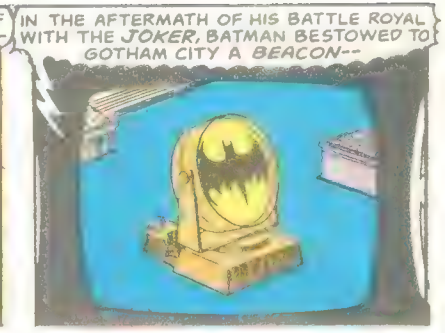

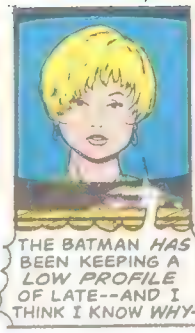

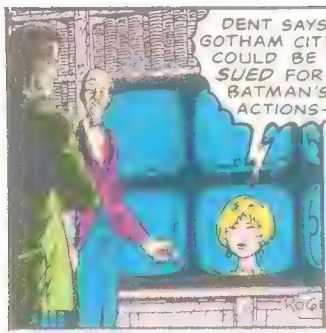

--THEY WERE
P-PRAYING TO
SATAN HIMSELF!

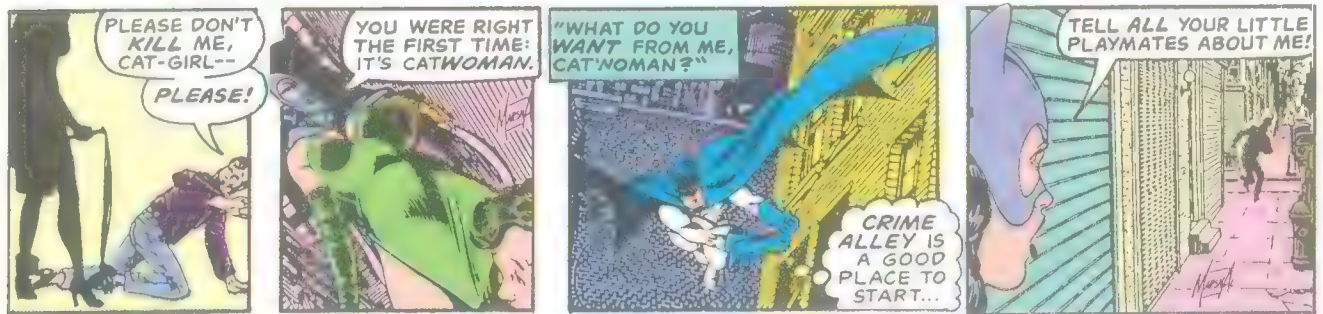

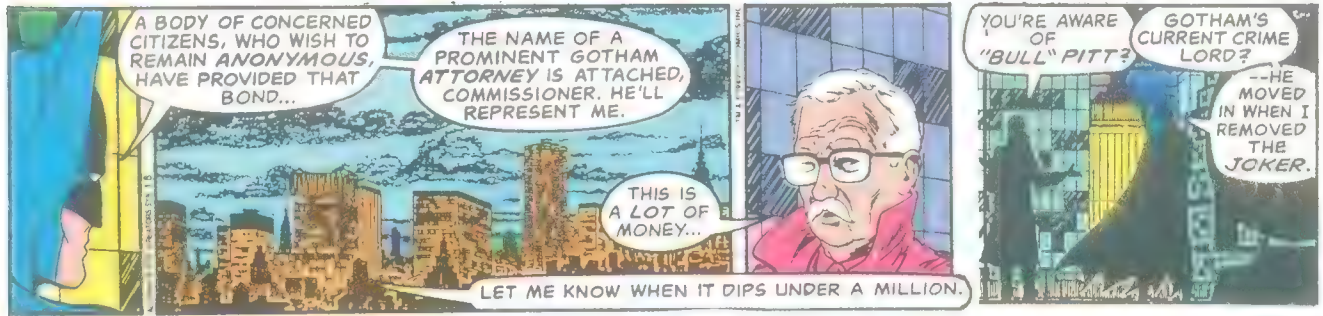

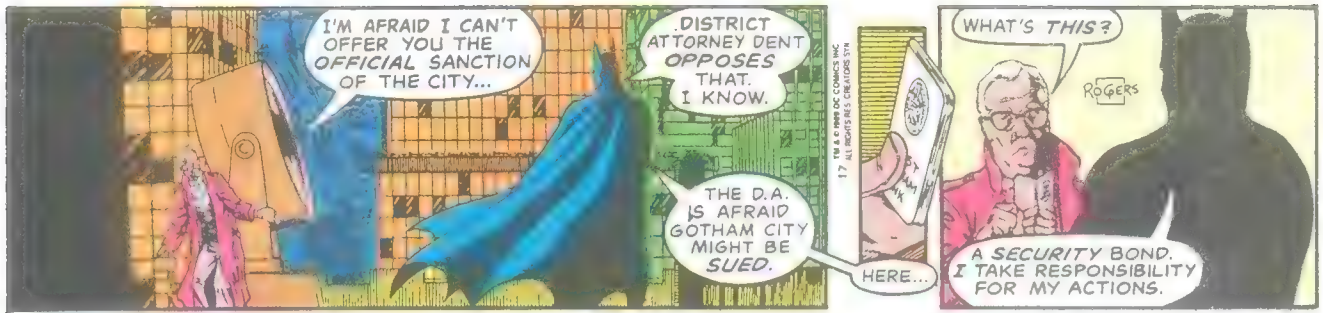

WE'VE GOT TO
WARN THEM, DANNY
--WE'VE GOT TO
WARN THE
VILLAGE!

TOURISM

The **history** of the Kathmandu Valley begins with Manjushree, a Buddhist saint who drained the primordial lake in this Himalayan cradle. Over centuries, a refined civilization developed that blended influences from China and India, so that whether it's art or architecture, the synthesis is captivating today. The architecture, handicrafts and finely etched thankas (traditional paintings) indicate how evolved the early Newar inhabitants were. Interestingly, it was only by the late 18th century that Kathmandu was made the capital of Nepal!

PLACES TO SEE

Durbar square: A complex of palaces, courtyards and temples, from the 12-18th century, this used to be the seat of the ancient Malla kings of Kathmandu. Look out for the 17th century stone inscriptions set in the wall of the palace with writings in 15 languages.

Swayambhu Stupa: Offering a sweeping view of the valley, this huge stupa is one of the holiest Buddhist sites in Nepal, linked to the legend of the saint Manjushree. Before you climb up the hillock, you will see the fountain of world peace, with a golden statue of Buddha.

Pashupatinath Temple: Built before 400 AD, this ancient temple's principal lingam idol features the three faces of Lord Shiva. The entrance has a gigantic gold figure of the Nandi bull. (Cameras are not allowed inside the main entrance. All leather accessories must be left outside).

Boudhanath Stupa: Looming 36 metres high, this place is a marvelous representation of stupa design. There are more than 45 Buddhist monasteries in the area.

Budhanilkantha: At the centre of this temple complex is a pond in which lies a great stone figure of Lord Vishnu, reclining on the coils of a cosmic serpent.

SHOPPING

One Indian rupee equals to 1.6 Nepali rupees.

Bhat Bateni Super Market: A good stop for world class clothes for men, women, children or infants, cosmetics, perfumes, 24 carat gold jewellery, crockery, crystalware, toys, electronics, household goods, kitchenware, and a host of imported chocolates, edibles, sauces, packed foods. Located at Cha-1-580, Kathmandu.

Bishal Bazaar: This indoor shopping arcade is great for imported garments, gems, small electronics, watches, perfumes, foodstuffs, imported clothes, etc. Check the expiry dates on perishable purchases. Located on New Road, Kathmandu.

EATING OUT

Kathmandu offers a fascinating mix of ethnic cuisines. Here are just a few to consider: For good Chinese food, the **Imperial Pavilion** offers spicy Szechwan and Cantonese dishes, and is located at the Malla Hotel, Lekhnath Marg. For a taste of continental, Tibetan and Nepalese food, you could visit **The Explorer's Restaurant** at Hotel Vajra, Swayambhu, or **The Lotus café** at Hotel Menang, Thamel. For local bakery bites, tuck into **Hot Breads** at Durbar Marg, Jawalakhel or Thamel. If you're hell bent on typical fast food, there is a **Wimpy's** joint at Darbar Marg. For Indian khana, there's **Bukhara** also at the Soaltee Holiday Inn, and if you'd like a touch of music, the **Far Pavilion** at the Everest Hotel, New Baneshwar offers sumptuous Indian dishes, and live ghazal singing.

FACE TO FACE

Dear Editor,

It was a brilliant idea to bring out a magazine like 'Comic-World'. It's cute, fast paced, immensely readable and very crispy. I specially like the articles of Ruskin Bond and Anant Pai. Comic-section is simply superb. Please add some Disney characters also.

Neha Kulkarni, Delhi

Dear Editor,

Your efforts of publishing 'Veer Hanuman', 'Panchatantra' were appreciable. We all should know and preserve our own culture. Articles on 'Vastu' are also very informative, and helpful.

V. Raghunathan, Bangalore

Dear Editor,

Wow! I am so impressed with your magazine. Now it wore a trimmed and 'up-to-the-mark' look. I received issue No.11 a little late, but the wait has been worth it.

Kartik, Chennai

Dear Sir,

Congratulations for bringing out an exemplary magazine, which is most definitely catering to the needs of the teenagers, however, the magazine could do well with some more puzzles, competitions, jokes, short stories etc.

When would you be putting up your own web page? It would be a great help to your readers, who can post queries, messages and comments on a web page and would encourage more interactive sessions with the magazine.

M. Salim, Mumbai

Dear Sir,

Comic World is indeed 'the perfect teenager magazine'. I love all the comic-characters plus the regular features. 'Heart to heart' is indeed my most favourite column. Thanks for publishing my message in this feature.

Reema Lahiri, Calcutta.

Dear Editor,

Your idea of bringing out our **Comic-world** in Marathi language is highly appreciable. Now we can read it in our own mother-tongue. Thanks for the gesture.

Milind Patekar, Pune

Dear Fiza,
You are so sweet,
innocent and
beautiful. I have
never seen such
a girl in my life.
You came in for a
moment and lit
brightly the bulb
of my life. And
now that you are
gone the bulb's

come back!
Yours, Anil.

*My Dearest Dhruv,
Who has stolen my heart,
who has stolen my sleep,
who has stolen my peace,
You are the only one,
Whom I love so much.
But, I don't like you to
go out -of- station very
much.
I miss you very much,
Yours Radhika*

Dear Divya and
Rachna,
Remembering and
feeling blessed to
have friends like you
all. You make life so
special everyday, the
whole year through.

Dear Amit Bhaiya and
Bhabhi,
May God Shower
blessings over your
pair; colours of
happiness may fly
over stair-by-stair, May
love be preserved
between you.

Yours Neelima.

Dear Mother,
Mother is not just a word,
but a passion, which holds the love
of the whole world.
It reflects the selfless care,
A warm relation which is rare;
It's a bond that nobody dare
break,
So mamma, love U Forever,

THE ANCIENT VASTU SCIENCE OF EGYPT

The Pyramids of Egypt are, no doubt, famous throughout the world for their massive features, uncommon and wonderful construction as well as durability but more than that, they are famous for their magical effects. Now, even the scientists have come to believe in their magical effects. It has been proved by the scientific experiments that there are some kind of strange and unique energy waves, constantly at work, which affect the living as also the dead elements stored there in. The scientists have named this quality as "The Pyramid Power."

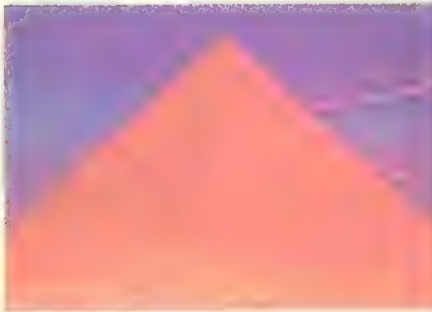

In the shops, around the Pyramids in Egypt where herbs and articles used in Tantric knowledge (charms) and experiments are sold, one can find caps of the shape of pyramids on sale. It is said that after wearing these caps for about fifteen minutes, the headache disappears. Not only in Egypt but also in other countries like America, France, Czechoslovakia, Yugoslavia etc. small-size pyramids made of cardboard, plastic and wood are being used for different purposes.

In America these days, pyramids made of PVC are being sold like hot cakes. Being impressed by the pyramid power, in the hospitals in America and Australia, the plans are afoot to give them the shape of pyramids. Recently an

American architect had given an advertisement that he can provide pyramid-shaped houses to the people. He has claimed that people who would live in those houses, will be healthy, intelligent and happy.

In America these days, "Pyramidology" is extremely popular. After postage stamp and coin collecting, 'Pyramidology' is the third most popular hobby. The residences and restaurants there are being constructed and shaped on the pattern of pyramids. In the state of Illinois, at a place called Wordsworth Mr. James Onan, owner of a construction company got a five-bedroom pyramid constructed, who lives in this pyramid with his wife and five children. Every week, hundreds of persons pay a fee of six dollars to visit to enjoy this house.

The results of some important treatments and cures through pyramid treatment are given hereunder: Patients with headache and toothache get rid of their pain after sitting in the pyramid. The modern scholar of the 'Pyramid power' Bobbis himself prepared a cap on the pattern of pyramid and tested after wearing it. Bobbis says that after wearing the cap, not only the headache disappears but at the same time many kinds of mental depression also disappear.

These days in the hospitals, treating mental, neurotic and psychiatric cases, 'Bobbis cap' is being used. A young lady who was suffering from mental depression started sleeping in a pyramid and soon her depression ended and she started having sound sleep. In fact, after sitting for some time in the pyramid, the body becomes balanced, thereby dispelling distress.

Patients with rheumatic arthritis got rid of their ailment after sitting in the pyramid.

Wounds, blisters and scratches quickly heal up after sitting in the pyramid. A middle-aged woman drank water kept in the pyramid for some days and also used it as lotion and applied it on her face. According to her, after some days people known to her remarked that she was looking much younger.

The tonsils get cured after drinking water placed in a pyramid, eye-sight improves if eyes are washed with that water, digestion

improves and pain in knee joints disappears if pyramid-water is applied on the joints. During an experiment, some dogs were placed in a square, round and pyramid-shaped houses. After sometime, it was found that the dogs placed in the pyramid-shaped house were more intelligent, more abiding and in better health.

On the basis of their experiments, Bill Schule and Ed petit have stated that any kind of sound or music played in the pyramid keeps resounding for a long time. It brings about a strange reverberation on the bodies of those present and gives peace to their minds and bodies.

When a tired man sits inside a pyramid, his fatigue disappears and he feels charging of new and fresh energy in his body.

Those who perform Meditation have claimed that after meditating in a pyramid their mind concentrates very fast.

MEEKU

PRAN

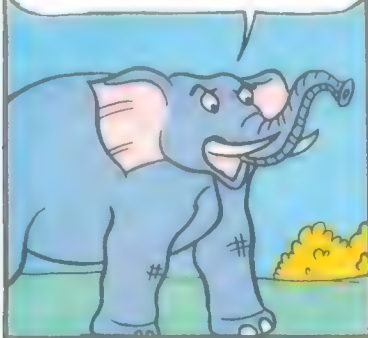

MEEKU! COME OUT. YESTERDAY YOU CALLED ME A DUMB-HEAD.

DADA! DON'T BE ANGRY. IT AFFECTS ONE'S REASON.

YOU AGAIN CALLED 'ME INSANE?

DADA!
I MEANT
GENERALLY.

NO! YOU INSULTED ME. YOU'LL HAVE TO COMPETE WITH ME.

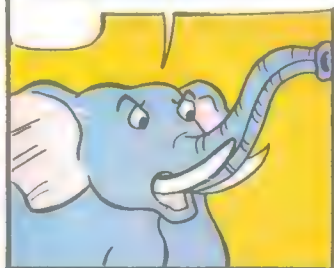

COMPETITION?
ON.
NO!

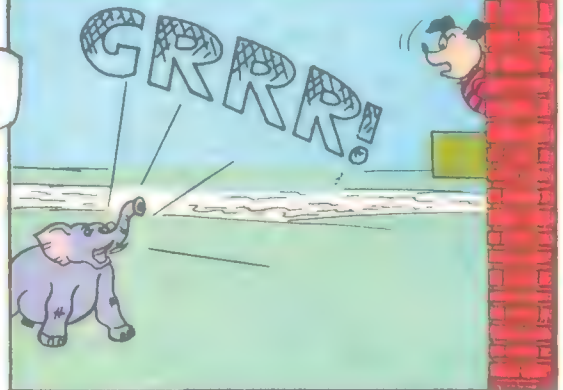

IF DEFEATED THAT WOULD BE MORE INSULTING TO YOU.

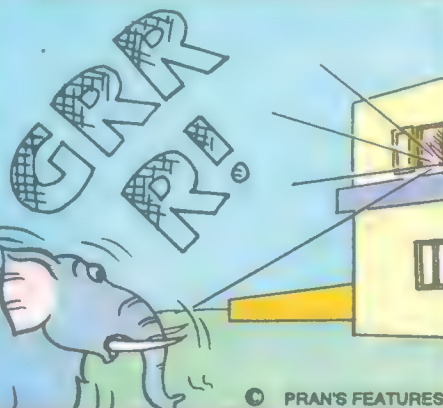

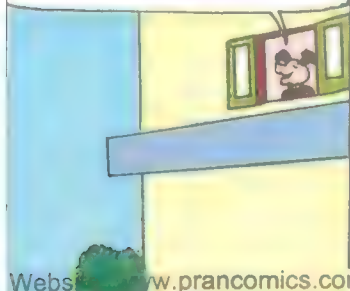

DÉFEAT? FROM A MOSQUITO? IMPOSSIBLE. THERE GOES MY ROAR!

GRRR!

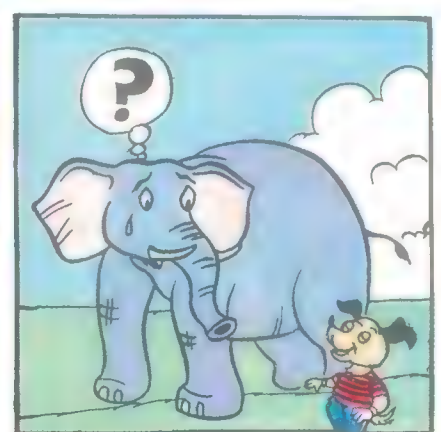

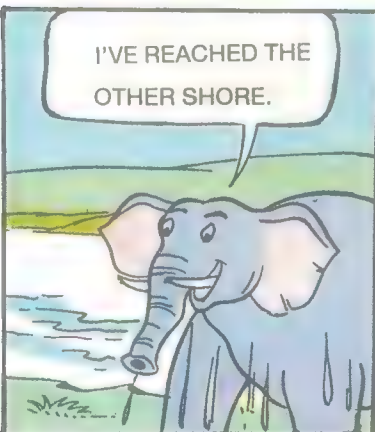

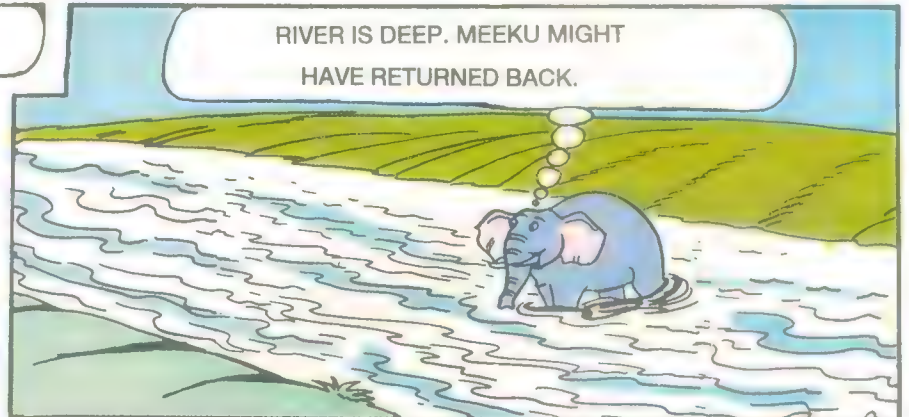

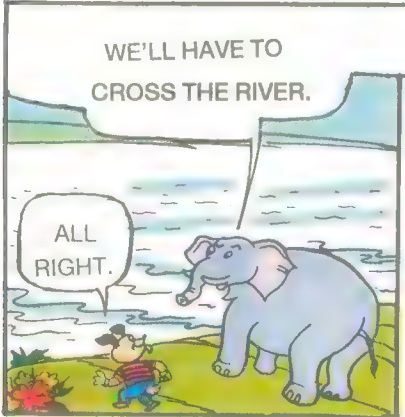

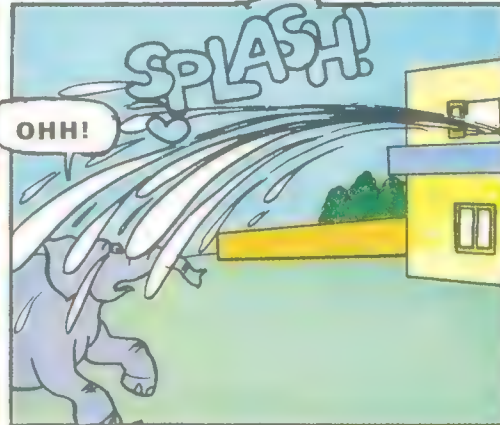

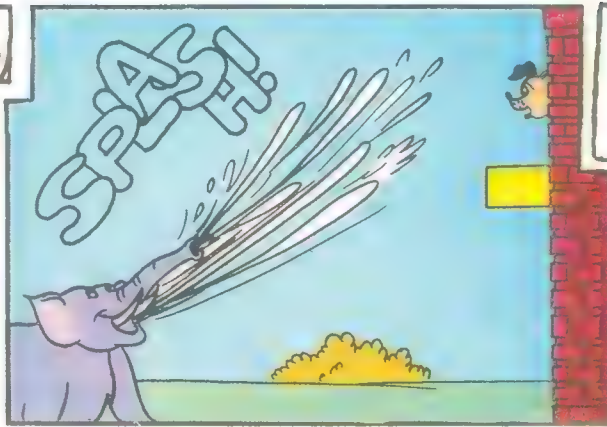

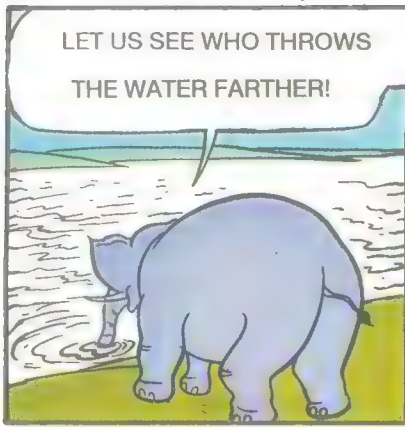

I'LL TELL YOU HOW IT SHOULD BE.

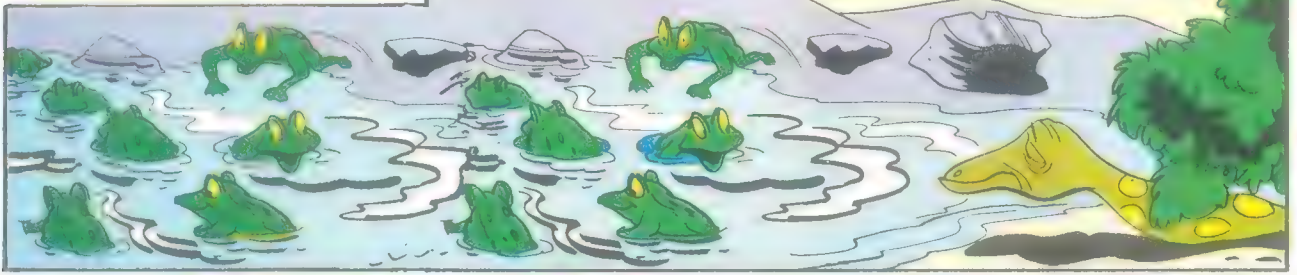

THANKS! THE LOUD SPEAKER SAVED ME.

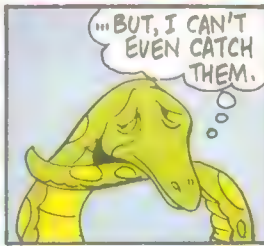

PANCHATANTRA

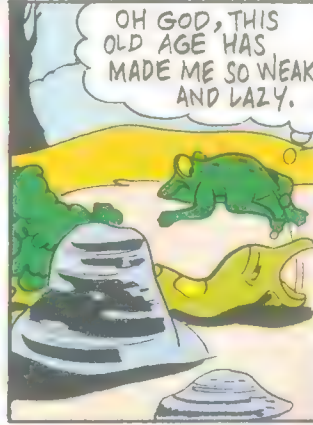

ONCE UPON A TIME, AN OLD WEAK SNAKE REACHED A POND WHICH WAS FULL OF FROGS.

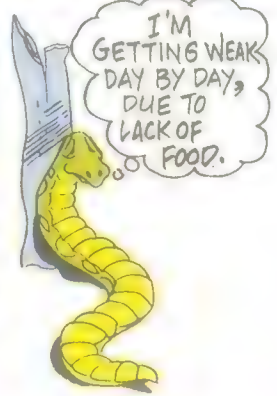

SO MANY BIG FAT FROGS...

...BUT, I CAN'T EVEN CATCH THEM.

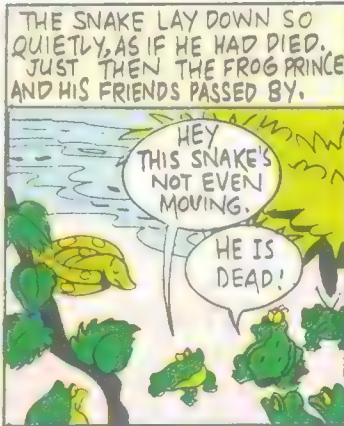

OH GOD, THIS OLD AGE HAS MADE ME SO WEAK AND LAZY.

I'M GETTING WEAK DAY BY DAY, DUE TO LACK OF FOOD.

I SHOULD, THINK OF A WAY TO GET FOOD.

THE SNAKE LAY DOWN SO QUIETLY, AS IF HE HAD DIED. JUST THEN THE FROG PRINCE AND HIS FRIENDS PASSED BY.

HEY THIS SNAKE'S NOT EVEN MOVING.
HE IS DEAD!

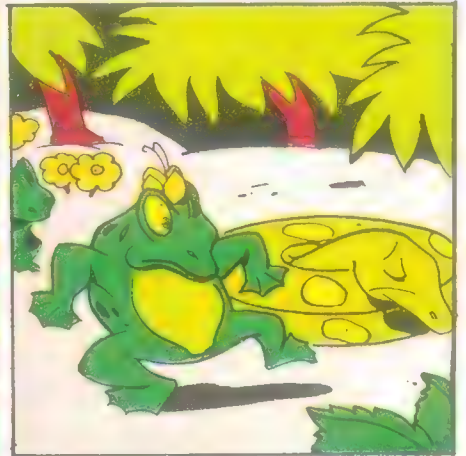

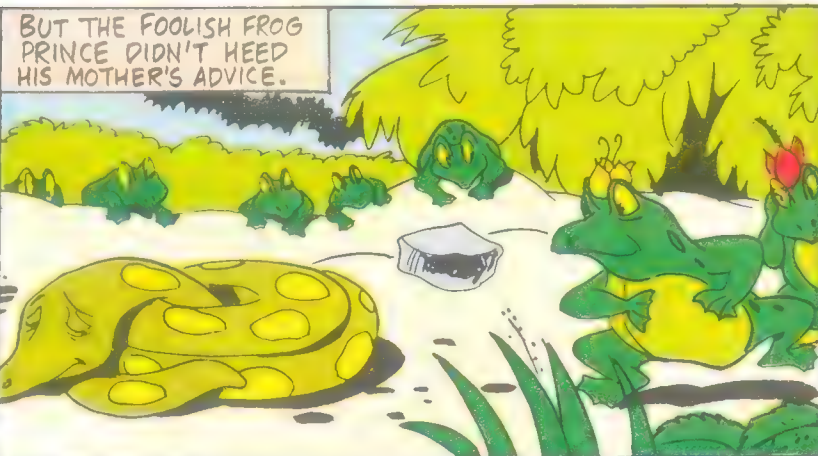

LET'S SEE!

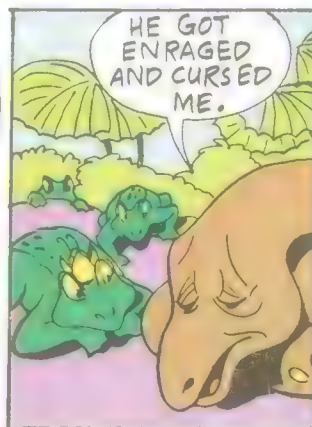

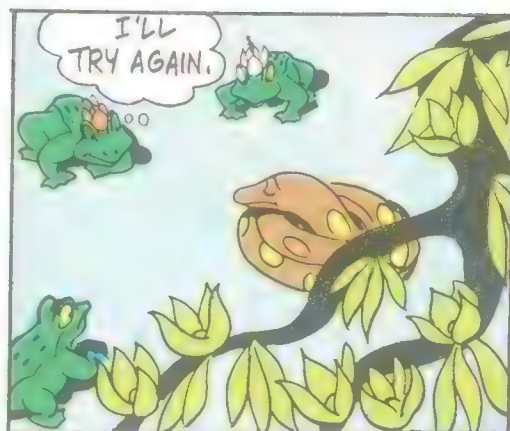

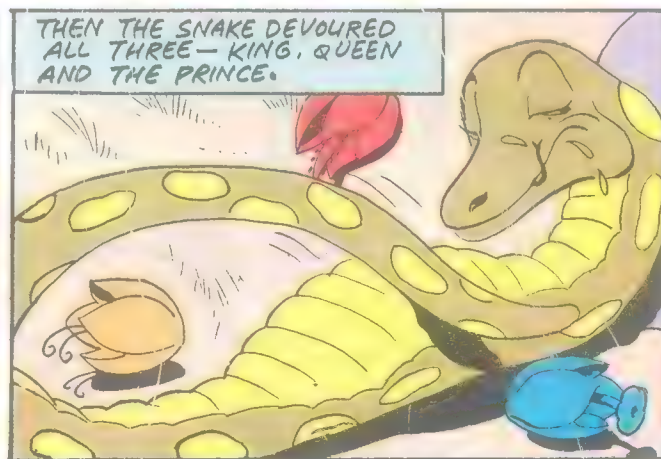

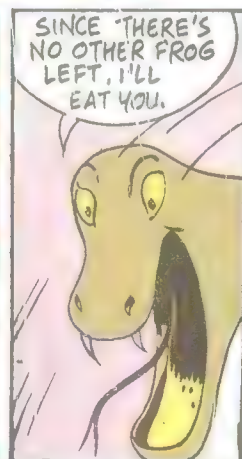

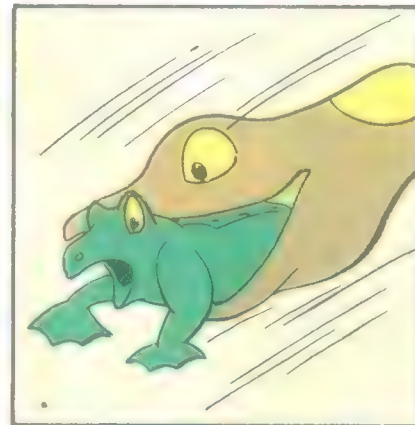

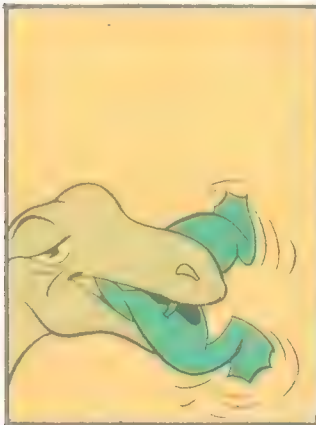

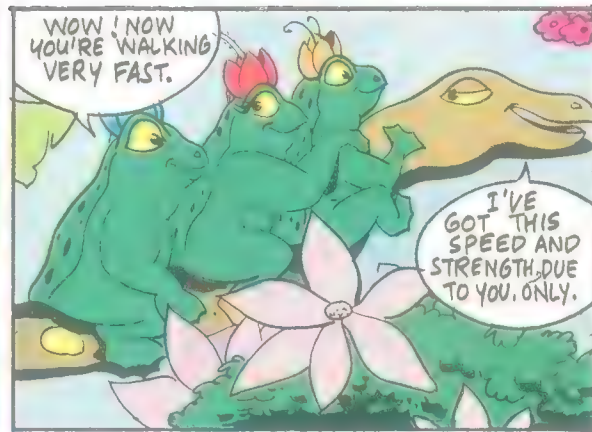

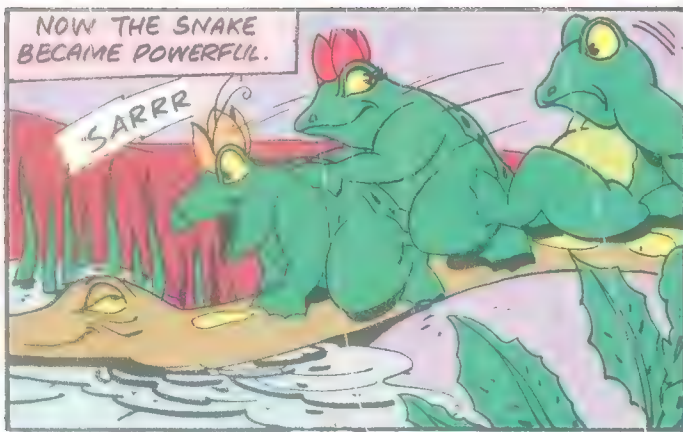

THE PRINCE'S MOTHER TRIED TO DISSUADE HIM NOT TO GO.

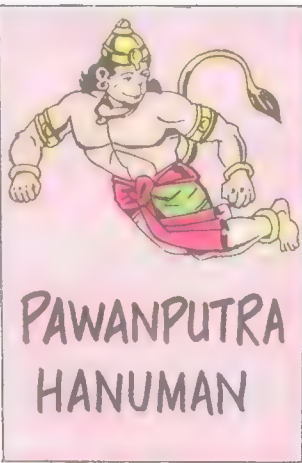

NO, DON'T DO THIS. HE'LL EAT YOU.

BUT THE FOOLISH FROG PRINCE DIDN'T HEED HIS MOTHER'S ADVICE.

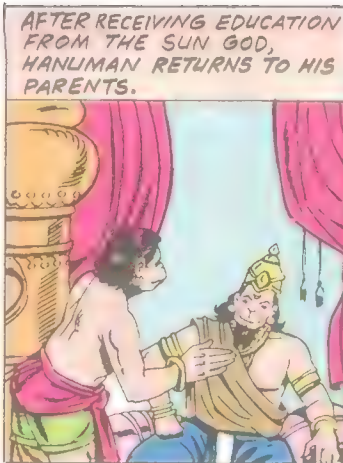

PAWANPUTRA HANUMAN

AFTER RECEIVING EDUCATION FROM THE SUN GOD, HANUMAN RETURNS TO HIS PARENTS.

FATHER, SUN GOD HAS ORDERED ME TO GO TO KISHKINDHA AND MEET SUGREEV AND TO STAY THERE.

YOU'VE RETURNED AFTER SUCH A LONG TIME. WHY DON'T YOU STAY WITH US FOR SOMETIME, SON?

YES, SON LET US ENJOY THE JOY OF HAVING A CHILD, BY STAYING WITH US FOR A WHILE.

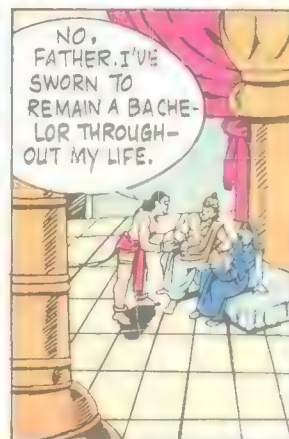

YOU KNOW, FATHER, THE STATUS OF A GURU IS ABOVE ONE'S PARENTS. SO HIS ORDER COMES FIRST.

BUT WE'RE EAGER TO GET YOU MARRIED, SON.

WE WANT TO GET YOU MARRIED OFF QUICKLY. YOU CAN THEN GO ALONG WITH YOUR WIFE, TO SUGREEV.

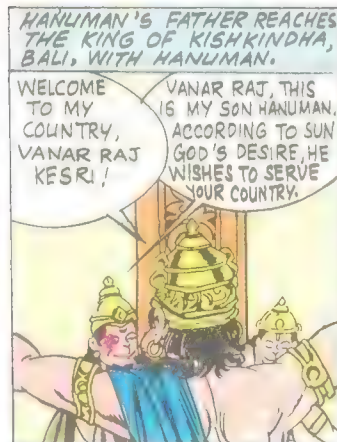

NO, FATHER. I'VE SWORN TO REMAIN A BACHELOR THROUGHOUT MY LIFE.

HANUMAN'S PARENTS ARE STUNNED, BUT SEEING HIS DETERMINATION, SAY.

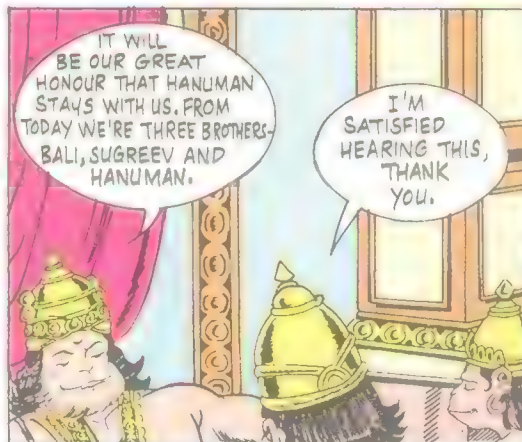

ALLRIGHT SON, AS YOU WISH. BALI IS MY FRIEND. I'LL TAKE YOU TO HIM.

HANUMAN'S FATHER REACHES THE KING OF KISHKINDHA, BALI, WITH HANUMAN.

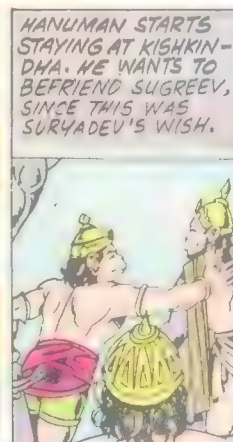

WELCOME TO MY COUNTRY, VANAR RAJ KESRI!

VANAR RAJ, THIS IS MY SON HANUMAN. ACCORDING TO SUN GOD'S DESIRE, HE WISHES TO SERVE YOUR COUNTRY.

IT WILL BE OUR GREAT HONOUR THAT HANUMAN STAYS WITH US. FROM TODAY WE'RE THREE BROTHERS- BALI, SUGREEV AND HANUMAN.

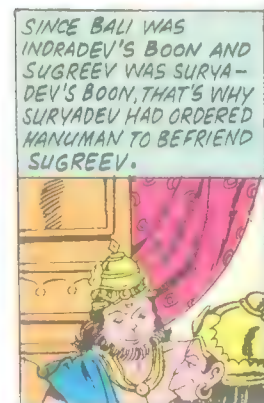

I'M SATISFIED HEARING THIS, THANK YOU.

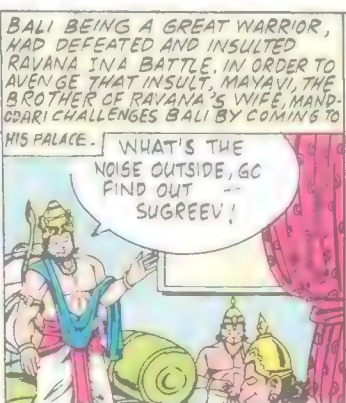

HANUMAN STARTS STAYING AT KISHKINDHA. HE WANTS TO BEFRIEND SUGREEV, SINCE THIS WAS SURYADEV'S WISH.

DUE TO SIMILAR VIEWS AND HABITS SOON BOTH HANUMAN AND SUGREEV BECOME FRIENDS. THEY GENERALLY STAY TOGETHER.

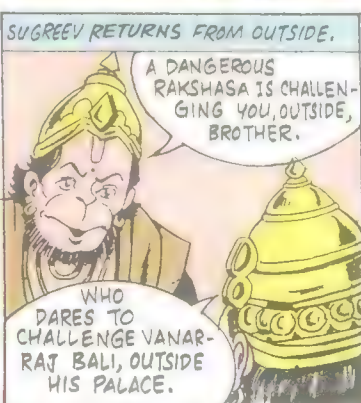

SINCE BALI WAS INDRADEV'S BOON AND SUGREEV WAS SURYADEV'S BOON, THAT'S WHY SURYADEV HAD ORDERED HANUMAN TO BEFRIEND SUGREEV.

BALI BEING A GREAT WARRIOR, HAD DEFEATED AND INSULTED RAVANA IN A BATTLE. IN ORDER TO AVENGE THAT INSULT, MAYAVI, THE BROTHER OF RAVANA'S WIFE, MANDODARI CHALLENGES BALI BY COMING TO HIS PALACE.

WHAT'S THE NOISE OUTSIDE, GO FIND OUT SUGREEV!

SUGREEV RETURNS FROM OUTSIDE.

A DANGEROUS RAKSHASA IS CHALLENGING YOU, OUTSIDE, BROTHER.

WHO DARES TO CHALLENGE VANAR-RAJ BALI, OUTSIDE HIS PALACE.

BALI COMES OUT- THE MAYAVI RAKSHASA IS STANDING OUTSIDE.

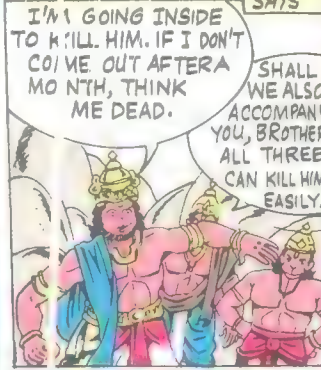

YOU CONSIDER YOURSELF POWERFUL BALI FACE ME IF YOU DARE.

IT SEEMS DEATH HAS DRAGGED YOU HERE, FOOLISH!

BOTH FIGHT EACH OTHER. MAYAVI IS UNABLE TO FIGHT BALI FOR LONG AND SO RUNS

MAYAVI HIDES IN A CAVE. BALI, SUGREEV AND HANUMAN STOP AT THE MOUTH OF THE CAVE. BALI SAYS

BALI FROWNS ON HEARING SUGREEV.

BALI GOES ALONE INTO THE CAVE AND FIGHTS MAYAVI.

ONE MONTH GOES BY. EVERYDAY SCREAMS CAN BE HEARD FROM INSIDE.

ONE DAY A SCREAM ECHOES AND A RIVER OF BLOOD COMES OUT FROM THE CAVE.

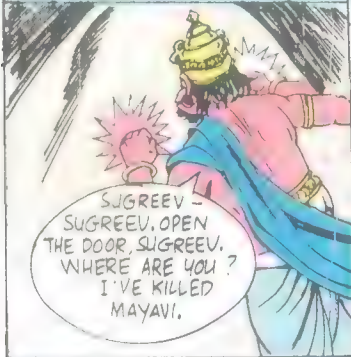

BUT HANUMAN, THE SCREAM BELONGED TO A MONKEY ONLY. BEFORE THAT EVIL CAN COME OUT AND CREATE HAVOC, LET'S CLOSE THE MOUTH OF THE CAVE WITH THIS STONE.

SUGREEV CLOSES THE MOUTH OF THE CAVE WITH A BIG STONE AND RETURNS TO TOWN.

MEANWHILE, BALI REACHES THE MOUTH OF THE CAVE. HE HITS THE HUGE STONE WITH HIS FIST AND CALLS SUGREEV.

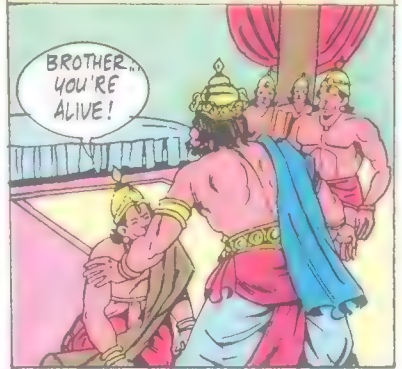

WHEN THE STONE DOESN'T MOVE BALI GETS ANGRY AND THINKS -

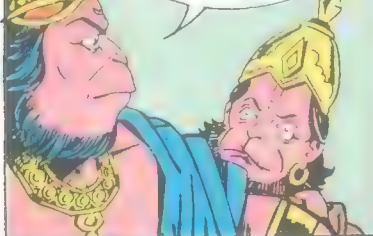

FINALLY, BALI USES ALL HIS POWER TO REMOVE THE STONE AND ANGRILY REACHES HIS PALACE.

ALL ARE STUNNED SEEING BALI. SUGREEV DESCENDS FROM THE THRONE AND FALLS AT BALI'S FEET.

I'M ALIVE, THOUGH YOU HADN'T LEFT ANY EFFORTS FOR KILLING ME. THAT'S WHY YOU BLOCKED THE MOUTH OF THE CAVE AND LEFT ME THERE TO DIE.

HANUMAN SPEAKS -

LIE, THIS IS HIS WICKEDNESS. HE HAD EYES ON MY KINGDOM, WEALTH AND WIFE FROM THE BEGINNING.

NO, I SWEAR I HAD NO SUCH MOTIVE, BROTHER.

DON'T
ACT FALSE. YOU'LL
BE PUNISHED FOR
YOUR DOING!

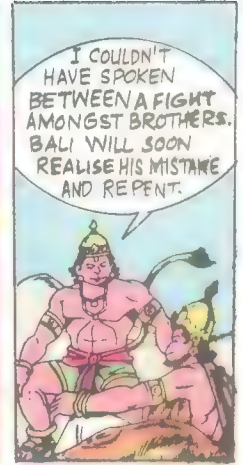

BALI HITS SUGREEV WITH
HIS FIST AND THEN KICKS HIS
BACK. SUGREEV RUNS FOR LIFE.

STOP,
COWARD ""
I'LL KILL
YOU
TODAY.

SUGREEV RUNS TO
MATANG MOUNTAIN AND
HANUMAN FOLLOWS.

YOU DIDN'T
COME TO MY
RESCUE, PAWAN-
PUTRA. MY BROTHER
WAS AFTER MY LIFE.
HE'S STILL STANDING
DOWN.

I COULDN'T
HAVE SPOKEN
BETWEEN A FIGHT
AMONGST BROTHERS.
BALI WILL SOON
REALISE HIS MISTAKE
AND REPENT.

WHERE WILL WE
STAY NOW? BALI IS
THIRSTY FOR MY
BLOOD, DOWN.

BALI WON'T COME
ATOP MATANG MOUNTAIN
AS DUE TO MATANG
SAGE'S CURSE HIS HEAD
WILL SCATTER INTO
A HUNDRED PIECES
ON COMING
HERE.

HANUMAN STARTS STAYING ON
MATANG WITH SUGREEV.
ONE DAY.

BALI HAS
CAPTURED ALL YOUR
THINGS, SUGREEV.
HE HAS EVEN PUT
YOUR WIFE RUMA,
IN PRISON.

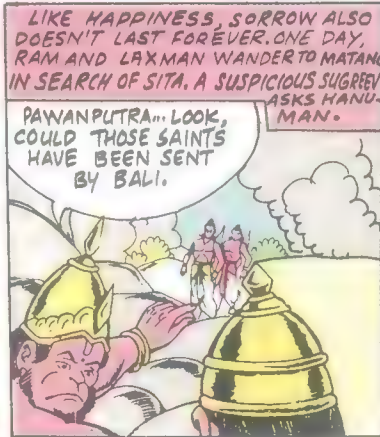

OH! THIS
IS VERY BAD.
BALI IS SO POWERFUL
WHAT SHOULD I DO, YOU
ONLY SUGGEST, HANUMAN!

DON'T LOSE
HEART. BALI WILL
REALISE AT SOME
POINT AND FOR-
GIVE YOU.

WHEN WILL THAT
DAY DAWN, PAWAN-
PUTRA? I'M
WORRIED FOR
MY WIFE.

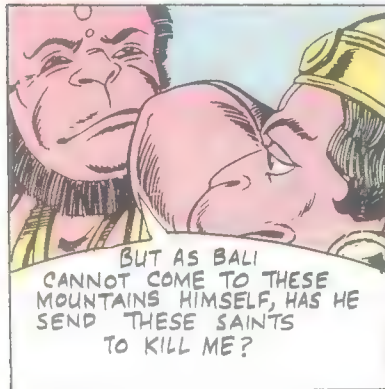

LIKE HAPPINESS, SORROW ALSO
DOESN'T LAST FOREVER. ONE DAY,
RAM AND LAXMAN WANDER TO MATANG
IN SEARCH OF SITA. A SUSPICIOUS SUGREEV
ASKS HANU-
MAN.

PAWANPUTRA... LOOK,
COULD THOSE SAINTS
HAVE BEEN SENT
BY BALI.

YOU'RE
GETTING SUSPICIOUS
IN VAIN. THEY SEEM
TO LOOK LIKE
SAINTS TO ME.

BUT AS BALI
CANNOT COME TO THESE
MOUNTAINS HIMSELF, HAS HE
SEND THESE SAINTS
TO KILL ME?

DO
YOU WANT
ME TO GO AND
GET INFORM-
ATION ABOUT
THEM?

YES, DISGUISE YOURSELF
AND FIND OUT ABOUT
THEM. BE CAREFUL
LEST THEY ATTACK
YOU.

BE
PATIENT,
I'LL GO AND
FIND OUT
IMMEDIATELY.

DISGUIISING HIMSELF AS A BRAHMANA, HANUMAN GOES TO RAM - LAXMANA.

WHO ARE YOU TWO ?
YOU ARE DRESSED LIKE
SAINTS, BUT CARRY BOWS
AND ARROWS ON
YOU.

WE ARE
THE SONS OF THE
KING OF KAUSHAL,
DASHRATH- RAM
AND LAXMANA.

YOUR
KINGDOM IS FAR
FROM HERE. THEN
WHY ARE YOU ROAM-
ING THESE DEEP
JUNGLES ?

WE'RE
FOLLOWING OUR
FATHER'S ORDERS TO
ROAM THE JUNGLES FOR
FOURTEEN YEARS. BUT
WE'VE FALLEN INTO
TROUBLE, HERE.

WHAT
TROUBLE...
TELL ME I MAY
BE ABLE TO
SOLVE IT.

SOMEONE HAS
ABDUCTED MY WIFE,
SEETA, IN THESE
JUNGLES. WE'RE SEARCH-
ING HER.

THAT'S VERY SAD .
THIS JUNGLE IS FULL OF
RAKSHASAS AND DEMONS.
COME WITH ME TO A
FRIEND WHO CAN
HELP YOU.

YOU'VE
NOT INTRODUCED
YOURSELF,
FRIEND - WHO ARE YOU
AND WHAT'S THE
NAME OF YOUR
FRIEND ?

HANUMAN COMES INTO HIS TRUE FORM.

PLEASE FORGIVE ME ! I'M
HANUMAN-SON OF KING KESRI
AND QUEEN ANJANA. MY
FRIEND IS SUGREEV, WHO'S
THE YOUNGER BROTHER OF
BALI, THE KING OF THIS
COUNTRY.

MANY THANKS ! WE FOUND
A HELPER LIKE YOU AND A
FRIEND LIKE SUGREEV IN
THESE JUNGLES, WE'RE
HAPPY. COME TAKE
US TO HIM.

HANUMAN MAKES RAM - LAXMANA MEET SUGREEV.
THEY TELL EACH OTHER THEIR TROUBLES. SUGREEV PROMISES
TO HELP THEM SEARCH SITA, WHILE RAM PROMISES TO HELP

FROM TODAY
OUR FRIEND-
SHIP STARTS.
YOU HELP ME
GET OVER BALI,
I'LL SEARCH
FOR MOTHER
SITA.

HIM GET BACK HIS
KINGDOM.

IF YOU
HELP ME
FIND SITA, I'LL
KILL BALI AND
MAKE YOU
THE KING
OF KISHKIN-
DHA !

THE FRIENDSHIP BORN THROUGH
HANUMAN AS A MEDIUM HELPED IN
KILLING RAKSHASAS IN THE FUTURE AND
FULL CREDIT WENT TO HANUMAN.

BIRBAL AND THE WONDER OF SOURNESS

THERE WAS GREAT FRIENDSHIP BETWEEN THE KING'S SON SALIM AND A TRADER'S SON IRFAAN. BOTH USED TO WEAR, EAT AND SOMETIMES SLEEP TOGETHER. ONCE THEY WERE SITTING IN A GARDEN AND CHATTING.

THE BEST SEASON IS BASANT SEASON, FRIEND SALIM!

INDEED, MIYA IRFAAN. THERE IS NEITHER TOO MUCH HEAT NOR COLD IN THIS SEASON.

ON GETTING AN OPPORTUNITY, AKBAR USED TO TRY TO MAKE SALIM UNDERSTAND.

YOU SHOULD CONCENTRATE TOWARDS YOUR EDUCATION SALIM.

YES, ABBA HUZOOR!

ON THE OTHER HAND, TRADER AKRAM TRIED TO MAKE HIS SON UNDERSTAND.

YOUR CONCENTRATION IS NOT AT ALL TOWARDS TRADING, IRFAAN MIYA. WHEN WILL YOU LEARN BUSINESS?

I... I'LL CONCENTRATE FROM NOW ONWARDS

BUT BOTH IRFAAN AND SALIM HAD NO EFFECT OF THEIR FATHERS' WORDS. BOTH KEPT ON MEETING AS BEFORE.

WILL YOU COME FOR HUNTING, TOMORROW, IRFAAN?

YES, SAY WHEN SHOULD I COME?

SALIM —

I'LL GO AND ORDER MY SOLDIERS JUST NOW. WE START EARLY TOMORROW MORNING.

O.K... I'LL BE READY.

IN THE MORNING AKRAM SEES IRFAAN GETTING READY AND MOUNTING THE HORSE

WHERE ARE YOU GOING SO EARLY IN THE MORNING, IRFAAN?

TO SALIM, WE'RE GOING HUNTING, TODAY!

MEANWHILE AKBAR SEES SALIM MOUNTING THE HORSE ALONG WITH A FEW SOLDIERS.

IT SEEMS SALIM IS GOING HUNTING TODAY.

SHAHENSHAH AKBAR CALLS A SERVANT AND ENQUIRES —

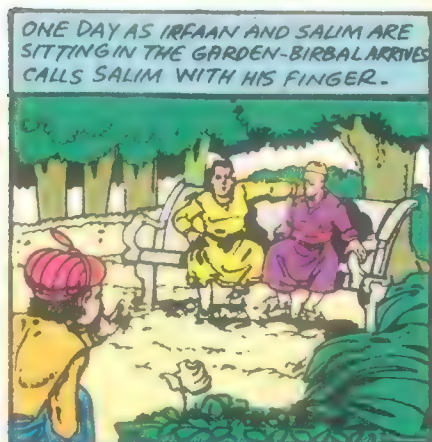

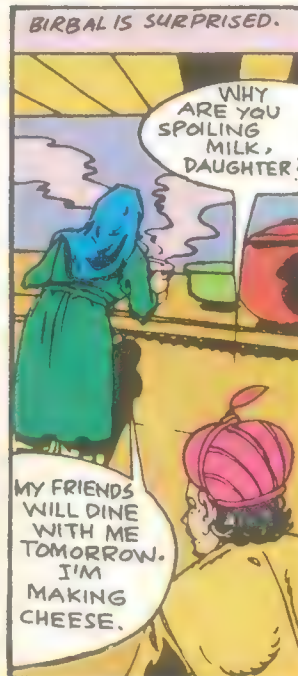

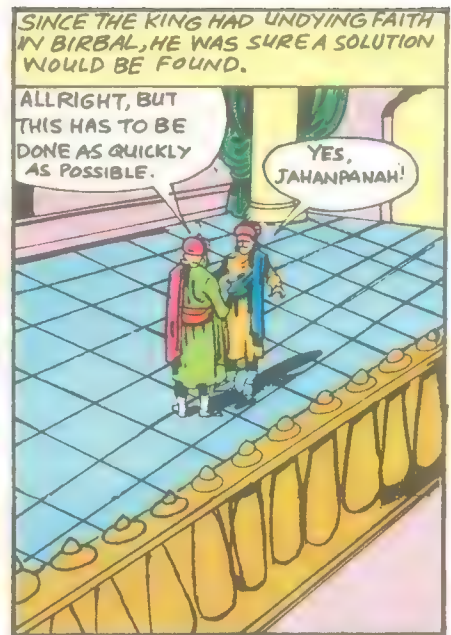

CAN YOU TELL ME, WHERE SALIM IS GOING, SO EARLY IN THE MORNING?

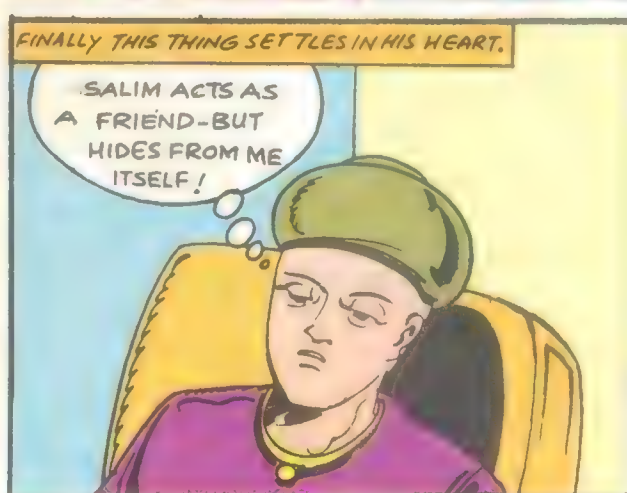

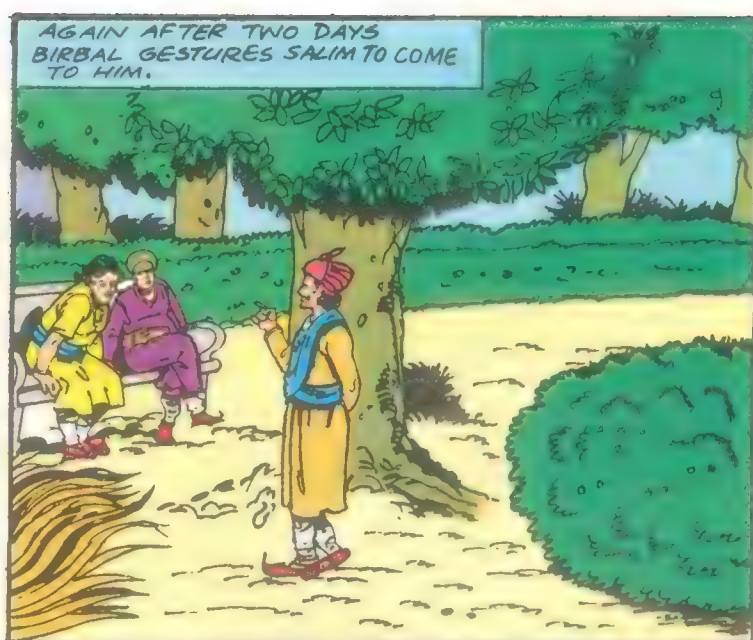

HUZOOR, PRINCE SALIM IS GOING WITH IRFAAN MIYA FOR HUNTING.

AKBAR IS TROUBLED. AS SOON AS THE SERVANT DEPARTS.

NEITHER IRFAAN IS LETTING SALIM STABILISE, NOR SALIM IS LETTING IRFAAN.

OOOOO

FOR MANY DAYS IRFAAN DOESN'T GO TO MEET SALIM. SALIM MEANWHILE WAITS FOR HIM BOTH IN DAYTIME AS WELL AS EVENINGS. ONE DAY AS IRFAAN COMES TO THE PALACE, A ROYAL SERVANT TELLS HIM.

THE PRINCE HAS GONE TO THE GARDENS, JUST NOW.

O.K!

AS IRFAAN REACHES THE GARDEN, SALIM ASKS IMMEDIATELY.

WHERE WERE YOU SINCE SO MANY DAYS? I KEPT ON WAITING.

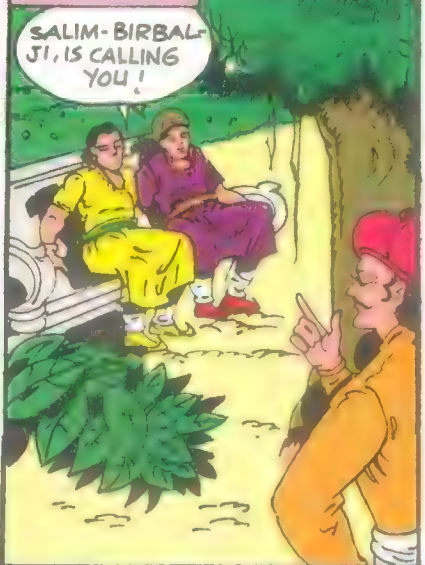

THERE WAS SOME WORK.

SALIM MOVES TOWARDS A HUGE BENCH.

COME, LET'S SIT DOWN!

SALIM HAS JUST SAT DOWN WHEN BIRBAL APPEARS AND GESTURES TO HIM.

SALIM-BIRBALJI, IS CALLING YOU!

SALIM GETS UP—

YOU KEEP SITTING, I'M COMING!

HE'LL GIVE ME THE SAME ANSWER, ON ASKING.

AS SALIM REACHES BIRBAL, BIRBAL WHISPERS IN HIS EAR.

NOTHING IMPORTANT, I'LL TALK LATER.

O.K.

AS SALIM REACHES IRFAAN, IRFAAN ENQUIRES.

WHAT WAS BIRBAL SAYING?

NOTHING HE DIDN'T SAY ANYTHING.

IRFAAN'S SUSPICION IS NOW CONFIRMED.

SALIM HAS STARTED HIDING THINGS FROM ME, NOW. WHY SHOULD I KEEP FRIENDSHIP WITH SUCH A PERSON?

NEXT MOMENT—

O.K. SALIM, I'M LEAVING!

SO SOON, BUT WHY?

MOVING AHEAD IRFAAN SAYS.

JUST LIKE THAT!

WHEN WILL WE MEET? WILL YOU COME IN THE EVENING?

IN THE END: AKBAR'S HAPPINESS KNEW NO BOUNDS. HE KEPT ON REMEMBERING BIRBAL'S WORDS. HE MURMURED TO HIMSELF. BIRBAL IS DEFINITELY A GEM WHICH CANNOT BE APPRECIATED ENOUGH! AFTER GETTING THIS REWARD, A HAPPY BIRBAL RETURNED HOME.
